Your Legacy. One of our greatest aspirations in life is to leave a lasting impression - to make a difference. You can help GSNEO provide life-changing programs and opportunities for girls. You can help us provide girls with leadership opportunities and challenges for growth, which will have a profound impact on the women they will be tomorrow - and the subsequent influence they will have on their families, their communities, our Nation, and the world.

A special invitation...

When Juliette Gordon Low gathered the first 18 Girl Scouts in her Savannah home over 100 years ago, she knew how important this would be for girls. But she had no idea that it was just the beginning of such a vast movement.

Even though the spirit of Girl Scouting has not changed over the last century, the needs of girls are greater than ever before. Girls are facing challenges in the 21st century that are unprecedented and more complex - making leadership skills achieved through Girl Scouts even more relevant to girls today.

There are a range of advantages to planned giving, including tax benefits. You can also enjoy the satisfaction of knowing that your gift will provide vital future support for local girls in Girl Scouting.

Gratefully,

Jane Christyson
Chief Executive Officer
