

# Need Help Registering??

## 1. Get Started

Please be sure to select all activities you are interested in participating in. Classes are only available for adults. Children may only be signed up for childcare and overnights.

Children must be accompanied by an adult for the overnight sessions. If you are attending a class that runs overnight, children cannot be signed up for overnight unless they have another responsible adult to chaperone them. When classes reach capacity they will not show as available to register.

**PLEASE USE THE DROP DOWN TO SWITCH BETWEEN SESSIONS AND PARTICIPANTS.**

How many?	
Adult	<input type="text" value="0"/>
Child	<input type="text" value="0"/>

Tell us who is coming!

Adults can sign up for classes and overnights

Children can be signed up for child care and overnights. Each child attending needs to be signed up.

Once you select a drop down for quantity, you will be given the opportunity to give us participant names.

Don't forget, if you are taking an overnight class, children will need someone else to chaperone them if they are also staying.

# It's time to select your Classes/Overnight/Child care!

## 2. Tell us who is doing what

Please be sure to select all activities you are interested in participating in. Classes are only available for adults. Children may only be signed up for childcare and overnights.

Children must be accompanied by an adult for the overnight sessions. If you are attending a class that runs overnight, children cannot be signed up for overnight unless they have another responsible adult to chaperone them. When classes reach capacity they will not show as available to register.
