

## COUNCIL SPONSORED BOOTHS

Included below is the list of booths that representatives of GSNEO will contact to schedule booths for selection through eBudde. They are NOT to be contacted by troops to set up booths. If a store is not on this list, it is most likely eligible for My Sale requests.

If you do not see the location of one of these specific chains right away, we may still be working with the location to schedule. Please check back on the Booth Sales tab in eBudde regularly to see updates on Thursdays at 1:00 pm.
