

Show it off!

Share your project or experience with others:

- Did you sail a boat from island to island through the Bahamas?
- Did you backpack through the Allegheny Forest?
- Are you preparing for a Baltic Sea Cruise in Northern Europe?
- Are you working on the coolest Bronze, Silver, or Gold Award EVER?

Come and tell everyone how cool you really are!

During the months of August and September GSNEO will be hosting amazingly fun, Fun Fest events to kick off the 2011 Girl Scout year! We want you to be a big part of the festivities! We are looking for 3-5 groups of girls for each event who would like to showcase a special project or awesome event. For instance, did you know that some of the GSNEO girls have traveled to Europe for a 10 day trip this summer? Or did you know that some GSNEO girls have entered into a regional robotics competition? We know that our girls are amazing and we want you to share your experiences with other girls and members of the community.

Here is how it would work. If you'd like to be in the showcase you would complete the showcase form and submit it to Kim Klima at GSNEO by Aug. 15th. All submissions will be reviewed and 3-5 of the best ideas will be selected to join the showcase. Groups which are selected to showcase will come to the event prepared with a display, pictures, and stories to share with others.

Don't delay submit your request today!

You got questions? We've got answers!!!
