

There's no better way to introduce your family to the wonders of live theater than with the magic, the mystery, the memory of CATS. What began as a musical about cats after Andrew Lloyd Webber picked up a book of poems in an airport bookshop has become one of the longest running shows in Broadway history. Winner of Seven Tony Awards including Best Musical, CATS features 20 of Andrew Lloyd Webber's timeless melodies, including the hit song, "Memory."
