Girl Scout Daisy First 6 Meetings

for
Kindergarten - 1st Grades

The Journey is the framework for participating in Girl Scouts. Every activity should be tied to at least one of the three keys: Discover, Connect, Take Action, and include age appropriate girl planning.

Information and Directions

Overview

The Girl Scout Daisy First 6 Meetings Program is an outline for six troop meetings. Your goal, through the use of this packaged program, is to see the girls growing while utilizing the Discover Connect, Take Action Leadership Model and the Girl Scout Process.

Discover, Connect, Take Action Leadership Model

Discover: (Learn about) Girls understand themselves and their values and use their knowledge and skills to explore the world

Connect: (Share with others) Girls care about, inspire, and team with others locally and globally.

Take Action: (Do) Girls act to make the world a better place, using critical thinking skills to get to the root of an issue and strive toward lasting change.

Girl Scout Process

Cooperative learning: All members of a group work together toward a common goal that can only be accomplished with the help of others.

Girl-Led: Girls play an active role in the planning and implementation of activities, while adults provide age-appropriate guidance, ensuring that the planning, organization, setup, and evaluation of all activities are done jointly with girls.

Learning by Doing: A “hands-on” learning process that engages girls in cycles of action and reflection resulting in deeper understanding of concepts and mastery of practical skills.

Troop Meeting Tips

Regardless if you meet weekly, bi-weekly or monthly, each meeting should have a set time frame and format/agenda (for example):

Pre-meeting activity: An activity that needs only one leader's attention (or none) and can be done fairly independently so you can greet parents and finish setting up. Usually set up in the same location.

Opening: Flag ceremony, saying the Girl Scout Promise. Interchangeable with closings.

Activity(s): *Discover, Connect, Take Action* falls into this area.

Clean Up: Don't forget to include this important task in your format.

Closing: Friendship Circle, stating what they learned the most about or liked the best today.

Snack Time: If you have it, it can be included where ever it fits best into your format/agenda.

The length of your troop meeting will depend on the age of your girls, their personalities and how often you meet. One hour might be good for a Daisy, where 1-1/2 hours for 2nd graders would work just fine. Opening and closings can be the same at each meeting or you can change them up.

Which program books should I use?

For this level, the program book choices are:

- Daisy Girl Scout Activity Book (commonly referred to as the "Petal Program")
- Girl Scout Leadership Journeys

You can do the program activities from either series of books, or intermix them throughout the year(s). Remember each series of programs has its own badges or awards which go along with it.

The following pages contain six meetings laid out for each program book series. Pick the program book you want to use and follow the meeting outline in that column, or adapt it to meet your troops' needs, or mix the two programs together. Below is a sample of what your plans might look like if you mixed the two program books together.

Sample of the two programs intermixed:

1st meeting:

- Session 1 of the Daisy Flower Garden Journey book.

2nd Meeting:

- Session 2 of the Daisy Flower Garden Journey book.
- After they recited the Promise they have earned the blue center award of the daisy flower.
- Complete petal activity for Responsible for What I say and Do on page 23 of the Daisy Girl Scouts Leaders Guide.

3rd Meeting:

- Session 3 of the Daisy Flower Garden Journey book
- Complete the friendly and helpful petal activities *and* the first activity for considerate and caring petal activities on page 22 of the Daisy Girl Scouts Leaders Guide.

4th Meeting:

- Field Trip: Take Action project: take the cards for the elderly and delivery them to a retirement home. Don't forget the permission slips!

5th Meeting:

- Talk about and practice for the Investiture/re-dedication ceremony at this meeting. Visit www.scoutingweb.com for info about investitures and re-dedication ceremonies.
- Make invitations for their families to attend the ceremony next week. Tie in the *dark green petal use resources wisely here*.

6th Meeting:

- Beginning of the meeting, practice, practice, practice.
- Ceremony takes place in the last 20 minutes of the meeting
- Give the girls the awards they have earned, listed below.

Awards Earned so far:

- Journey Book Awards:
 - Watering Can Award
- Girl Scout Daisy Petal Program:
 - Blue center of daisy flower
 - #5 Orange petal for responsible for what I say and do
 - #2 Yellow petal for friendly and helpful
 - #3 Light green petal for considerate and caring
 - #8 Dark green petal for using resources wisely

Be sure to plan ahead and get any necessary supplies needed for each meeting. It is good to have songs and games ready to go in case you need to fill in some time. Reminder that you can supplement your troop's meeting with Service Unit Events like Juliette Low's Birthday/Founder's Day (October), Thinking Day (February), Bridging (spring), Council Events found on our website www.gsneo.org or other field trips which interest the girls.

Questions?

Call on members of your service team, other troop leaders, or service unit director. They are experienced volunteers who can lend support, offer ideas and guidance to you. Your Membership Specialist, at your local service center, is also available to assist you. Remember the only "bad" question is the one not asked. We can't help if we do not know there is a need.
