

Introducing...

e-Membership

GSNEO is proud to share with you **e-Membership!** This partnership with GSUSA allows girl and adult Girl Scouts the option to register and renew membership on-line.

As an individual, you, can:

- *Keep your contact information current*
- *Print your Girl Scout membership card*
- *Become a new member or renew your membership*

As a troop leader, you, can:

- *Manage troop member contact information*
- *E-mail troop members*
- *Print Girl Scout membership cards*
- *Create and print a troop roster*
- *Renew your troop online*

e-Membership will roll out as part of Early Bird Registration for 2011-2012!

- Online renewal through e-Membership is the preferred method, but GSNEO will continue to accept paper membership registration forms for those who can not utilize the online option.
- Those requesting financial assistance must register through the paper process.
- e-Membership payments go directly to GSUSA and they accept check cards, debit cards and all major credit cards. (Troops are encouraged to acquire a check or debit card through their bank, please remember that troops are not authorized to apply for credit cards.)

Troop Leaders:

1. You must be listed as the (O1) Leader in our system (for 2010-2011) to see your troop information online. If you have a registered and approved volunteer that helps you with registration you will need to designate them as a Leader (O1). To do so, contact your Member Development Specialist.
2. If you don't already have a troop check/debit card, call your bank and begin the process.
3. *Starting March 21, 2011 please activate your own personal e-Membership account. Please note that this is in addition to your GSNEO.org login, instructions can be found at gsneo.org/membership-pathways.*
4. Visit gsneo.org/e-membership to view the video demos for e-Membership and download our Quick Reference Guide to Registration.

Incentives: Troops that utilize e-Membership for the 2011-2012 Early Bird registration, prior to June 30, 2011 will receive an additional \$10 Girl Scout Shop Gift Certificate.* Confirmation of electronic renewal must be turned in your local registrar or Membership Development Specialist.

* Girl Scout Shop Gift Certificate expires 12/15/11, cannot be used for official uniform pieces or earned insignia.
