

Girl Scouts Need You!

Our needs are as varied as your talents and interests.

Did you know that there are multiple ways to volunteer with the Girl Scouts? Whether you have 2 or 20 hours a month, we have a place for you. Leadership experiences for girls are what make Girl Scouting unique. We help every girl, everywhere, discover who she can be and what she can do, her way.

Program Volunteer

Join the Girl Scout program department and volunteer for special one day programs. You can either help out with a program that already exists, or help create a program that matches your skills and interests.

Girl Scouting In-School or After-School Volunteer

Work with girls of all ages during or after their school day helping teach girls about leadership, healthy choices, financial literacy, and self-esteem.

Troop Leader

Be involved with a group of girls, of any age level, through becoming a troop leader. As a troop leader you will help guide girls through multiple activities and trips that will help build girls of courage, confidence, and character that make the world a better place.

Adult Learning Facilitator

Train volunteers on the basics of Girl Scouting, developmental stages of girls, outdoor skills, peer relationships, and other topics dealing with girls and leadership today.

Recruitment Specialist

Help spread the movement of Girl Scouts at volunteer fairs, school activities, and other opportunities to recruit adult volunteers and girls to join Girl Scouting.

Special Events Committee Member

Help plan special events for the Girl Scout Council that help raise funds for Girl Scouts, and that recognize the achievements of our adult volunteers as well as our girl members.

To become a Girl Scout volunteer please contact us at 1-800-852-4474 or visit GSNEO.org.

*Building girls of courage, confidence & character,
who make the world a better place.*
