

# GSNEO TRAINED VOLUNTEER PROGRAM

The GSNEO Trained Volunteer program offers recognition for those volunteers who have worked to provide balanced, progression-oriented program to their girls through their own life-long learning. This recognition acknowledges that as you grow as a volunteer, you have that much more to offer the Girl Scout Movement.

## Guidelines for earning this recognition:

### Step 1: Complete required or highly suggested courses

Volunteer must complete the following courses:

1. Basic Orientation
2. Welcome to Girl Scouts
3. Leadership Essentials
4. First Aid/CPR/AED
5. Outdoor Essentials

**Main Patch Requirements:** Volunteer will earn the main patch for the completion of these courses. All 5 above courses must have been earned as GSNEO members (after Oct. 1, 2007). Any courses prior to October 1, 2007, will not be accepted.

### Step 2: Attend enrichment courses under each category.

Complete the number of classes under each category:

|   |             |
|---|-------------|
| Girl Scouts: (5 classes)                                    | <b>GS</b>   |
| STEM (Science , Technology, Engineering, Math): (5 classes) | <b>STEM</b> |
| Healthy Living: (5 classes)                                 | <b>HL</b>   |

|                                   |            |
|-----------------------------------|------------|
| Community Engagement: (5 classes) | <b>CE</b>  |
| The Arts: (5 classes)             | <b>ART</b> |
| Outdoor (5 classes)               | <b>OUT</b> |

**Segment Requirements:** Volunteer will earn a rocker for attending the required number of courses under each category. This will begin after as of August 3, 2011. Only courses taken after August 3, 2011 will be accepted.

### Step 3: Complete the "Council Trained Volunteer Form".

Complete the "Council Trained Volunteer Form" and return it to any council service center to receive the main patch and the rockers.

## Step 1: Complete required or highly suggested courses

| Course                 | Date Completed | Location | Trainer |
|------------------------|----------------|----------|---------|
| Basic Orientation      |                |          |         |
| Welcome to Girl Scouts |                |          |         |
| Leadership Essentials  |                |          |         |
| First Aid/CPR/AED      |                |          |         |
| Outdoor Essentials     |                |          |         |

**Main Patch Requirements:** Volunteer will earn the main patch for the completion of these courses. All Five (5) above courses must have been earned as GSNEO members (after Oct. 1, 2007). Any courses prior to October 1, 2007, will not be accepted.

## Step 2: List the dates and courses and that you have attended under each category

| Girl Scouts<br>(5 courses) | STEM<br>(5 Courses) | Healthy Living<br>(5 Courses) | Community<br>Engagement<br>(5 Courses) | The Arts<br>(5Courses) | Outdoor<br>(5 Courses) |
|----------------------------|---------------------|-------------------------------|--|------------------------|------------------------|
|                            |                     |                               |  |                        |                        |
|                            |                     |                               |  |                        |                        |
|                            |                     |                               |  |                        |                        |
|                            |                     |                               |  |                        |                        |
|                            |                     |                               |  |                        |                        |

**Segment Requirements:** Volunteer will earn a rocker for attending the required number of courses under each category. This will begin after as of August 3, 2011. Only courses taken after August 3, 2011will be accepted.

**Please return form to any Council Service Center.**
