## **Fun Songs**

### **A Smile Is A Funny Thing**

*(sung to "Auld Lang Syne")*

A smile is quite a funny thing  
It wrinkles up your face  
And when it's gone, you'll never find  
Its secret hiding place

But far more wonderful it is  
To see what smiles can do  
You smile at one, she smiles at you  
And so one smile makes two

He smiles at someone, since you smile  
And then that one smiles back  
And that one smile smiles until in truth  
You fail in keeping track

And since a smile can do great good  
By cheering hearts of care  
Let's smile and not forget the fact  
That smiles go everywhere

### **Sing, Sing A Song**

Sing, sing a song; Sing out loud, sing out strong  
Sing of good things, not bad, Sing of happy, not sad  
Sing, sing a song  
Make it simple to last your whole life long  
Don't worry that it's not good enough  
For anyone else to hear, Just sing, sing a song  
Sing, sing a song, Let the world sing along  
Sing of love that could be, Sing for you and for me

## **I'd Like To Teach The World To Sing**

I'd like to teach the world to sing in perfect harmony.  
I'd like to hold it in my arms and keep it company.  
I'd like to build the world a home and furnish it with love,  
Grow apple trees and honey bees and snow white turtle  
doves.

I'd like to see the world for once all standing hand in hand,  
And hear them echo through the hills for peace throughout the  
land.

That's the song that I hear, let the world sing today.  
A song of peace that echoes on and never goes away.

## **I am special**

I am special,  
There is no one quite like me.  
I'm a marvel,  
I can eat and drink and breathe.  
I'm a wonder and more,  
I can love you, care for you,  
Show you how special I can be.

## **You Are My Sunshine**

You are my Sunshine, my only sunshine  
you make me happy, when skies are gray  
You'll never know dear how much I love you  
Please don't take my sunshine away  
the other night while I lay sleeping  
I dreamed I held you in my arms  
When I awoke dear I was mistaken  
so I hung my head and cried.

## Cockles And Mussels

In Dublin's fair city, where the girls are so pretty,  
I first set my eyes on sweet Molly Malone,  
As she pushed her wheel barrow,  
Through streets broad and narrow,  
Crying cockles and mussels alive, alive, Oh!

### *Chorus*

*Alive, alive, Oh!*

*Alive, alive, Oh!*

*Crying cockles and mussels alive, alive, Oh!*

She was a fishmonger, but it sure was no wonder,  
For so were her father and mother before,  
And they each pushed their wheel barrow,  
Through streets broad and narrow,  
Crying cockles and mussels alive, alive, Oh!

### *Chorus*

She died of a fever, and no one could save her,  
And that was the end of sweet Molly Malone;  
Her ghost wheels her barrow,  
Through streets broad and narrow,  
Crying cockles and mussels alive, alive, Oh!

### *Chorus*

# Scouting

## Juliette Taps

On this day, We have come  
From the North, From the South, East and West,  
All your dreams, Will live on, Juliette.

## Remember The Founder Of Girl Scouts

*(tune of: "My Favorite Things" Sound of Music)*

Juliette Low was the founder of Girl Scouts  
She founded the lowland where girls had their campouts  
They signaled with flags and they learned songs to sing  
These were a few of their favorite things

Girls in green dresses with badges and sashes  
When they went camping they learned knots and lashes  
Camping in winter and camping in spring;  
Girl Scouts are handy at most anything.

When the tents leak, when the woods wet,  
When the fires won't light.  
I simply remember the founder of Girl Scouts  
And everything's warm and bright

## If You're Cheering For The Girl Scouts...

*(Tune: "If you're Happy and You Know It")*

If you're cheering for the Girl Scouts, clap your hands!  
If you're cheering for the Girl Scouts, clap your hands!  
If you're cheering for the Girl Scouts,  
If you're cheering for the Girl Scouts,  
If you're cheering for the Girl Scouts, clap your hands!

- (2) If you're cheering for the Girl Scouts, stomp your feet!
- (3) If you're cheering for the Girl Scouts, shout, "hooray!"
- (4) If you're cheering for the Girl Scouts, do all three!

## **Scout Vespers (Softly Falls)**

Softly falls the light of day,  
As our campfire fades away.  
Silently each Scout should ask,  
“Have I done my daily task?  
Have I kept my honor bright?  
Can I guiltless sleep tonight?  
Have I done and have I dared,  
Everything to be Prepared?”

Listen Lord, oh listen Lord,  
As I whisper soft and low.  
Bless my mom and Bless my dad,  
These are things that they should know.  
I will keep my honor Bright,  
The oath and law will be my guide.  
And mom and dad this you should know,  
Deep in my heart I love you so.

## **Make New Friends**

Make new friends but keep the old  
one is silver and the other gold.  
A circle is round, and has no end  
That’s how long I want to be your friend.

## **Girl Scouts Together**

Girl Scouts together. That is our song.  
Winding the old trails, rocky and long.  
Learning our motto. Living our creed,  
Girl Scouts together in every good deed.

Girl Scouts together, happy are we.  
Friendly to neighbors, for o’re the sea.  
Faithful to country. Loyal to home.  
Known as true Girl Scouts wherever we roam.

## **On My Honor**

Chorus:

On my Honor I will try  
There is a duty to be done and I say aye  
There is a reason here for a reason above  
My honor is to try and my duty is to love.

People don't need to know my name  
If I've done any harm then I'm to blame  
If I've helped another then I've helped me  
If I've opened up my eyes to see

I've tucked away a song or two  
If you're feeling low there is one for you  
If you need a friend then I will come  
And there's many more where I come from

Come with me where the fire burns bright  
You can even see better by candle's light  
But you'll find more meaning in a campfire's glow  
Then you'll ever learn in a year or so

We've made a promise to always keep  
And to "Pray Softly Falls" before we sleep  
We're Girl Scouts together and when we are gone  
We'll still be a trying and a singing this song.

## **Girl Scout Pep Song**

Hooray for Girl Scouts  
Hooray for Girl Scouts  
Someone in the stands is yelling.  
Hooray for Girl Scouts  
1,2,3,4, who you going to yell for?  
Girl Scouts that's us!!!

She wears a "G" for generosity  
She wears a "I" for interest too, for interest too.

She wears a "R" for real life sport-manship  
She wears a "L" for loyalty, for loyalty  
She wears a "S" for her sincerity  
She wears a "C" for courtesy  
She wears a "O,U,T" for outdoor life outdoor life  
and that Girl Scout is me!!

### **Brownie Smile Song**

I've got something in my pocket  
that belongs across my face  
I keep it very close at hand  
in a most convenient place.  
I'm sure you wouldn't guess it  
If you guessed a long, long while.  
So I'll take it out and put it on--  
it's a great big Brownie Smile!!!!

Smile Brownies, Smile!  
Smile Brownies, Smile!  
So I'll take it out and put it on--  
it's a great big Brownie Smile!!!!

### **Brownie Smile Song V2**

I've got something in my pocket  
That I found behind a log  
My leader said to put it back  
But I want to keep this frog  
It's cool and green and slimy  
And it wiggles in my hand  
I've also got a wooly worm  
And a pocket full of sand.

### **I've Got That Scouting Spirit**

I've got that Scouting spirit up in my head,  
up in my head, up in my head.  
I've got that Scouting spirit up in my head,

up in my head to stay.

2. I've got that Scouting spirit deep in my heart.
3. I've got that Scouting spirit down in my feet.
4. I've got that Scouting spirit all over me.

## **I'm A Little Daisy**

*(Tune: I'm a Little Teapot)*

I'm a little Daisy, dressed in blue.  
I am a Girl Scout, you are too.  
When I go to meetings, I sing and shout:  
"I love being a Daisy Girl Scout!"

## **Camp Girl Scout**

Camp, camp Girl Scout,  
Camp, camp Girl Scout,  
Camp, camp Girl Scout,  
Camp, camp Girl Scout,

Some people call it fun,  
But me, I call it madness  
So come along with me and  
wipe away your sadness.  
Happy campers are we,  
living under the trees,  
and when we are gone,  
they'll remember our song,  
it goes

Camp, camp Girl Scout,  
Camp, camp Girl Scout,  
Camp, camp Girl Scout,  
Camp, camp Girl Scout, CAMP!

## A Girl One Day

A girl one day she ran away to stay at a Girl Scout Camp.  
Each ringlet fair, had left her hair, each curly curl was damp.  
And there she washed the dishes.  
And there she scrubbed the floors.

Until on sunny day while rowing in the bay,  
She fell in all the way and she wrote home just to say....

Oh, I've got cuts on my fingers and bites on my toes.  
Sticks and stones to sleep on, and a red, red sunburned nose.  
But, oh my dear family, I'm writing home to say,  
I'm having such a jolly time at Girl Scout Camp today!! Hey!!

## It's A Small World (With Scouting Verses)

It's a world of laughter, a world of tears  
It's a world of hopes and a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small world after all

*It's a small world after all; It's a small world after all  
It's a small world after all; It's a small, small world*

There is just one moon and one golden sun  
And a smile means friendship to everyone  
Though the mountains divide; And the oceans are wide  
It's a small world after all **<Chorus>**

It's a world of Scouting, a world of fun  
It's a world of aims, but we work as one  
There's so much that we share; That it's time we're aware  
It's a small world after all. **<Chorus>**

You can go to China or go to Spain  
And the Scouting Handshake will be the same  
We have friends in Japan, Mexico, Pakistan,  
It's a small world after all. **<Chorus>**

It's a world of color, a pretty sight,  
Red and yellow and brown and black and white

And yet under our skin, We are all kith & kin  
It's a small world after all. <**Chorus**>

Some may live in houses, in tents in shacks  
And what one man has yet another lacks  
There's so much that we share, That it's time we're aware  
It's a small world after all, <**Chorus**>

How we live our lives we must each decide,  
Every Girl Scout for themselves to find  
Throughout Scouting we find, both in body & mind  
It's a small world after all. <**Chorus**>

## **We Change The World**

*(Words and music by Melinda Carroll, 1990)*

Chorus:

Change the world, come with me  
Time to let our dreams fly free  
And it comes so easily, that is our way  
Every moment we're alive, It's our love that will survive  
In the Girl Scouts, together, We change the world

Sisters of every color, friends from everywhere  
We all make the difference, when we show the world we care  
The Girl Scouts are our family,  
and they show us what we can be  
And I believe, together, we change the world

In America,  
we have so much to give  
To our sisters around the world  
who are struggling just to live  
Light the light and do our share,  
reach out your hand and someone's there  
And I believe, together, we change the world

## I See the Moon

I see the moon and the moon sees me,  
The moon sees somebody I'd like to see.  
So God bless the moon and God bless me,  
And God bless the somebody I'd like to see.

Now run along home and jump into bed,  
Say your prayers and cover your head.  
The very same thing I say unto you,  
You dream of me, I'll have sweet dreams of you.

## Green Trees

Green trees around us  
Blue skies above  
Friends all around us  
In a world filled with love  
Taps sounding softly  
Hearts beating true  
As we all say  
Goodnight to you.

*(go into Taps)*

## Taps

Day is done, Gone the sun,  
From the lake, From the hills, From the sky,  
All is well, Safely rest, God is nigh.

Fading light, dims the sight,  
And a star gems the sky, Gleaming bright,  
From afar, Drawing nigh, Falls the night.

Thanks and praise, For our days,  
Neath the sun, Neath the stars, Neath the sky,  
As we go, This we know, God is nigh.

## Silly

*(Tune: "If You're Happy and You Know It")*

Oh, I wish I were a Little bar of soap. (x2)  
I would slippy and I'd slidey,  
Over everybody's hidey.  
Oh, I wish I were a little bar of soap.

Oh, I wish I were a little hunk of mud. (x2)  
I would ooey and I'd gooey,  
Under everybody's shoey.  
Oh, I wish I were a little hunk of mud.

Oh, I wish I were a little can of pop. (x2)  
I'd go down with a slurp,  
and come up with a burp.  
Oh, I wish I were a little can of pop.

Oh, I wish I were a little slippery root (x2)  
I would sit upon the trail,  
And knock everyone on his tail.  
Oh, I wish I were a little slippery root

Oh, I wish I were a little mosquito. (x2)  
I'd buzzy and I'd bitey,  
Under everybody's nighty.  
Oh, I wish I were a little mosquito.

Oh, I wish I were a little bitty orange. (x2)  
I'd go squirty, squirty, squirty,  
Over everybody's shirty.  
Oh, I wish I were a little bitty orange

"I burped!!"

## Mrs. O'Leary

One dark night when we were all in bed  
Mrs. O'Leary left the lantern in the shed  
And when the cow kicked it over,  
she winked her eye and said  
There'll be a hot time  
in the ol' town tonight  
(YELL) FIRE FIRE FIRE!  
Pour on water. Pour on water  
Save my children, Save my children  
Jump lady jump  
SPLAT!

*(repeat softer each time)*

## On Top Of Spaghetti

*(Sung to the tune of On Top of Old Smokey)*

*Actions: make appropriate finger and body actions for the words, and don't leave out a real, live sneeze.*

On top of spaghetti, All covered with cheese.  
I lost my poor meatball, When somebody sneezed.

It rolled off the table, And onto the floor.  
And then my poor meatball, Rolled out of the door.

It rolled in the garden, And under a bush.  
And then my poor meatball, Was nothing but mush.

The mush was as tasty As tasty could be,  
And early next summer It grew into a tree.

The tree was all covered With beautiful moss,  
It grew lovely meatballs And tomato sauce.

So if you eat spaghetti, All covered with cheese,  
Hold on to your meatballs And don't ever sneeze.

## Scout Wetspers

*(Tune: Oh, Christmas Tree)*

Softly falls the rain today  
As our campsite floats away.  
Silently, each Scout should ask  
Did I bring my SCUBA mask?  
Have I tied my tent flaps down,  
Learned to swim so I won't drown,  
Oh, have I done, and will I try  
Everything to keep me dry?

## Singin' In The Rain

*(Chorus)*

*I'm singin' in the rain,  
Just singin' in the rain.  
What a glorious feeling,  
I'm (clap) happy again.*

Thumbs up

Chi-chi-cha-cha  
Chi-chi-cha-cho

## Pink Pajamas

*(tune: Battle Hymn of the Republic)*

Oh, I wear my pink pajamas  
in the summer when it's hot,  
And I wear my flannel nighties  
in the winter when it's not,  
And sometimes in the springtime,  
and sometimes in the fall,  
I jump right in between the sheets  
with nothing on at all.  
Glory, glory, hallelujah!  
Glory, glory, what's it to ya?  
Balmy breezes blowin' through ya  
With nothing on at all!

## Grand Old Duke Of York

*Action: stand when it says “up” and sit when it says “down”, then sing it again, faster.*

The Grand Old Duke of York,  
He had ten thousand men  
He marched them up to the top of the hill  
And he marched them down again,  
And when they were up, they were up.  
And when they were down, they were down.  
And when they were only half way up,  
They were neither up nor down.

## The Birdie Song

Way up in the sky, *Bring both arms up high*  
The big birdies fly, *Make big wings with arms*  
While down in the nest, *Point down with both hands 4 times*  
The little birds rest. *Put hands together, bend head on  
them*

With a wing on the left, *Fold left arm under*  
And a wing on the right, *Fold right arm under*  
The little birds sleep, *Put head down on shoulder*  
All through the night. *Close eyes*  
SHHH! THEY'RE SLEEPING!!! *yell line*

The bright sun comes up, *Bring both arms up high*  
The dew falls away, *Point down with both hands 4 times*  
"Good morning, good morning," *Put hands together, then  
spring apart, do twice*  
The little birds say. "CHEEP! CHEEP! CHEEP!" *Put right  
hand on left shoulder  
and left hand on right armpit.  
Move elbows up and down like beaks*

Scoopin' up the field mice and boppin' them on the head.  
I'll give you three chances and if you don't stop

## Repeating

### The Other Day

The other day, (repeat)  
I met a bear, (repeat)  
Up in the woods, (repeat)  
A way up there. (repeat)

(Repeat as a group)  
He said to me  
Why don't you run,  
Because you ain't  
got any gun.

And so I ran  
away from there  
But right behind  
Me was that bear.

Ahead of me  
there was a tree  
A great big, tree  
Oh glory be!

The nearest branch  
Was ten feet up  
I'd have to jump  
Trust my luck.

### Cutest Bear

The cutest bear  
I ever saw  
Was sittin' in the road  
With a sandwich in his paw

I asked him if  
He'd pose for me  
He said he would  
For a nominal fee

And so I jumped  
into the air  
But I missed that branch  
on the way up there.

Now don't you fret  
Now don't you frown,  
'Cause I caught that branch  
On the way back down.

That's all there is  
There ain't no more.  
Unless I meet  
That bear once more

And so I met  
That bear once more  
Now he's a rug  
On my bedroom floor

I walked right up  
And looked at him  
He opened his mouth  
And shoved me in

Now here I sit  
Inside this bear  
I need some HELP  
And a little fresh air

## The Littlest Worm

The littlest worm  
I ever saw  
Was stuck inside  
a soda straw

Don't take a sip  
For if you do

I took a sip  
And he went down  
All through my pipes  
He must have drown

He was my pal  
He was my friend  
But he ain't no more  
And that's the end

But don't you fret,  
And don't you fear  
The Littlest Worm  
Had scuba gear!

Well, she looked at the nickel  
and she looked at me,  
and she said "Hey mister, you can plainly see.

There's a hole in the nickel,  
And it goes right through."  
And I said, "There's a hole in the donut too!  
Thanks for the donut, so long!"

## Barges

Out of my window looking through the night  
I can see the barges' flickering light  
Silently flows the river to the sea  
And the barges they go silently

### *Chorus*

*Barges I would like to go with you  
I would like to sail the ocean blue  
Barges have you treasure in your hold  
Do you fight with pirates brave and bold*

Out of my window looking through the night  
I can see the barges' flickering light  
Starboard shines green and port is glowing red  
You can see them flickering far ahead... **Chorus**

So out of my window looking through the night  
I can see the barges' flickering light  
Anchors start to pull and engines start to roar  
As the barges pull away from shore. **Chorus**

Out of my window, looking in the night,  
I can see the barges flickering light.  
Stars are brightly lighting up the sky  
As the barges seem to skip right by. **Chorus**

Out of my window looking in the night,  
I can see the barges flickering light.  
Harbour ahead and anchorage in view,  
I will find my resting place with you. **Chorus**

Away from my window on into the night,  
I will watch till they are out of sight.  
Taking their cargo far across the sea,  
how I do wish one day, they'd take me. **Chorus**

How my heart longs to be with you  
And to sail across the ocean blue.  
But I must stay here by my window clear  
As I watch you sail away from here. **Chorus**

## The Unicorn

A long time ago when the earth was green  
There were more kinds of animals than you've ever seen.  
They'd run around free while the earth was being born,  
But the loveliest of all was the unicorn.

***There were green alligators and long necked geese,  
Some humpty back camels and some chimpanzees.  
Some cats, and rats, and elephants,***

but sure as your born, The loveliest of all was the unicorn.

Now God seen some sinnin' and it gave him pain,  
And he said, "Stand back! I'm going to make it rain."  
He said, "Hey, brother Noah, I'll tall you what to do.  
Build me a floating zoo.

And take some of them **Chorus**  
but sure as you're born, Don't you forget my unicorn.

Old Noah was there to answer the call.  
He finished up making the ark just as the rain started fallin'.  
He marched in the animals two by two,  
And called out as they went through,

Hey Lord, **Chorus**  
but Lord I'm so forlorn, I just can't see no unicorns.

Then Noah looked out through the drivin' rain,  
Them unicorns were hidin', playin' silly games.  
Kicken' and splashin' while the rain was pourin'  
Oh them silly unicorns.

***Green alligators and long necked geese,  
Some humpty back camels and some chimpanzees.  
Noah cried, "Close the door! 'cause the rain was pourin'***

And we just can't wait for no unicorns."

The ark started movin', it drifted with the tide.  
Those unicorns looked up from the rocks and they cried.  
And the waters came down and sort of floated them away.  
And that's why you've never seen a unicorn to this very day.  
You'll see **Chorus** but sure as your born, You're never going to  
see no unicorns.

## Glad To Have A Friend Like You

Jill told Bill that it was lots of fun to cook  
Bill told Jill that he could bait a real fishhook  
So they made ooey gooey chocolate cakes  
Sticky licky sugar top and they gobbled it and giggled  
And they sat by the river and they fished in the water  
And they talked while the squirmy wormies wiggled

### *Chorus*

*Singin'..... Glad to have a friend like you  
Fair and fun and skipping free  
Glad to have a friend like you  
And glad to just be me.*

Pearl told Earl that they could do a secret code  
Earl told Pearl there was free ice cream when it snowed.  
So they sent funny letters which contained mystery messages  
And nobody knew just how they made it.  
And they raised up the window and they scooped all the snow  
together  
Put milk and sugar in it, ate it

### *Chorus*

Peg told Greg she liked to make things out of chairs  
Greg told Peg sometimes he still hugged teddy bears  
So they sneaked in the living room and piled all the pillows up  
And made a rocket ship to fly in. And the bears were their girls  
and boys  
And they were the astronauts who lived on the moon with one  
pet lion

### *Chorus*

*...And glad to just be, glad to just be, glad to just be me!*

## Puff The Magic Dragon

*Chorus:*

*Puff, the magic dragon, lived by the sea,

and brought him strings and sealing wax, and other  
fancy stuff, Oh... **(Chorus)**

Together they would travel, on a boat with billowed sails.,  
Jackie kept a lookout perched on Puff's gigantic tail.  
Noble kings and princes would bow when'ere they came,  
pirate ships would lower their flag, when Puff roared out his  
name. Oh... **(Chorus)**

A dragon lives forever, but not so little boys,  
painted wings and giant rings make way for other toys.  
One grey day it happened, Jackie Paper came no more  
and Puff that mighty dragon, he ceased his fearless roar.  
Oh... **(Chorus)**

His head was bent in sorrow, green scales fell like rain,  
Puff no longer went to play, along the cherry lane.  
Without his life-long friend, Puff could not be brave  
so Puff that mighty dragon, sadly slipped into his cave. Oh...  
**(Chorus)**

One day at Puff's cave there came a frantic knock,  
And Puff looked out to see a boat tied up beside the dock.  
It was little Jackie's brother, coming to see Puff.  
With lots of strings and sealing wax, and other fancy stuff  
Oh... **(Chorus)**

## **I Know A Place**

I know a place where no one ever goes  
There's peace and quiet, beauty and repose  
It's hidden in a valley, beside a mountain stream  
And lying there beside the stream, I find that I can dream  
Only of things of beauty to the eye  
Snow-peaked mountains towering to the sky  
Now I know that God has made this world for me.

One can imagine himself as in a dream  
Climbing a mountain or down a small ravine  
The magic of the peace and quite always will stay  
To make this place a haven each and every day  
Oh how I wish I never had to leave  
Then all my life such beauty to receive  
Now I know that God has made this world for me.

Now as twilight's falling, I look into the sky  
The sun's no longer shining, and all birds cease to fly  
Although the sun has faded, the stars are twinkling bright  
I always will remember that beautiful night  
Oh how I wish I always could be here  
Nature's quiet voices ringing in my ear  
Now I know that God has made this world for me.

## **Edelweiss**

Edelweiss, Edelweiss, Every morning you greet me  
Small and white, Clean and bright,  
You look happy to meet me.

Blossom of snow, may you bloom and grow,  
Bloom and grow forever, Edelweiss, Edelweiss,  
Bless my homeland forever.

*Edelweiss Actions:*

- 1 Everybody sits in a circle, legs towards the middle and your hold your right hand up, palm facing up
- 2 With the beat, tap the persons knee to the left of you with your left hand
- 3 Then your left knee
- 4 Then your right knee
- 5 The back of your right hand
- 6 The palm of your right hand twice
- 7 When you get good you can change sides and alternate at each verse

**Linger**

M-mm-- I want to linger

M-mm-- a little longer

M-mm-- a little longer here with you

M-mm-- it's such a perfect night

M-mm— it doesn't seem quite right

M-mm-- that it should be my last with you

M-mm-- and come September

M-mm-- and I will remember

M-mm-- my camping days and friendships true

M-mm-- and as the years go by

M-mm-- I'll think of you and sigh

M-mm-- this is goodnight and not goodbye

M-mm-- I want to linger

M-mm-- a little longer

M-mm-- a little longer here with you.

## Rainbow Connection

*(as sung by Kermit)*

Why are there so many songs about rainbows  
And what's on the other side?  
Rainbows are visions, but only illusions,  
And rainbows have nothing to hide.  
So we've been told and some choose to believe it  
I know they're wrong, wait and see.  
Someday we'll find it, the rainbow connection,  
The lovers, the dreamers and me.

Who said that every wish would be heard and answered  
When wished on the morning star?  
Somebody thought of that, and someone believed it,  
And look what it's done so far.  
What's so amazing that keeps us stargazing  
And what do we think we might see?  
Someday we'll find it, the rainbow connection,  
The lovers, the dreamers, and me.

All of us under its spell  
We know that it's probably magic...

Have you been half asleep? And have you heard voices?  
I've heard them calling my name.  
Is this the sweet sound that calls the young sailors?  
The voice might be one and the same  
I've heard it too many times to ignore it  
It's something that I'm s'posed to be  
Someday we'll find it, the rainbow connection,  
The lovers, the dreamers, and me.

Laa, da daa dee da daa daa,  
La laa la laa dee daa doo...

## Jet Plane

All my bags are packed; I'm ready to go,  
I'm standing here outside your door,  
I hate to wake you up to say goodbye.  
Bu the dawn is breakin', it's early morn,  
The taxi's waitin' he's blowing his horn,  
Already I'm so lonesome I could die.

*Chorus*

*So kiss me and smile for me,  
Tell me that you'll wait for me,  
Hold me like you'll never let me go.  
"Cause I'm leaving on a jet plane.  
Don't know when I'll be back again.  
Oh' babe I hate to go.*

There's so many times I've let you down,  
So many times I've played around,  
I tell you now, they don't mean a thing.  
Ev'ry place I go I'll think of you,  
Ev'ry song I sing I'll sing for you,  
When I come back I'll bring your wedding ring.

*Chorus*

Now the time has come to leave you,  
One more time let me kiss you,  
Then close your eyes, I'll be on my way.  
Dream about the days to come  
when I won't have to leave alone,  
about the times I won't have to say

*Chorus then:*

*"Cause I'm leaving on a jet plane.  
Don't know when I'll be back again.  
Oh' babe I hate to go.*

## On The Loose

Have you ever watched the sunrise turn the sky completely red?

Have you slept beneath the moon and stars, a pine bough for your head?

Do you sit and talk with friends though not a word is ever said  
Then you're just like me, and you've been on the loose.

### *CHORUS:*

*On the loose to climb a mountain,*

*On the loose where I am free*

*On the loose to live my life*

*The way I think my life should be*

*For I've only got a moment and*

*A whole world left to see*

*I'll be looking for tomorrow on the loose.*

There's a trail that I've been hiking  
just to see where it might go

Many places yet to visit

many people yet to know

For in following my dreams,

I will live and I will grow

in a world that's waiting out there on the loose!

### *Chorus*

So in search of love and laughter,

I am traveling cross this land

Never sure of where I'm going,

Cause I haven't any plans

And in time when you are ready,

Come and join me, take my hand

And together we'll share life

Out on the loose.

### *Chorus*

*(Change the I, we, and am's to our on the last time you  
sing chorus.)*

## One Tin Soldier

Listen children to a story that was written long ago  
'Bout a kingdom on a mountain and the valley far below.  
On the mountain was a treasure buried deep beneath the  
stone

And the valley people swore they'd have it for their very own.

### *Chorus*

*Go ahead and hate your neighbor, go ahead and cheat a friend.*

*Do it in the name of heaven, you can justify it in the end.*

*There won't be any trumpets blowin' come the judgement day*

*On the bloody morning after, one tin soldier rides away.*

So the people of the valley sent a message up the hill  
Asking for the buried treasure, tons of gold for which they'd  
kill.

Came an answer from the kingdom, with our brothers we will  
share

All the secrets of our mountain all the riches buried there.

### *Chorus*

Now the valley cried with anger, mount your horses draw your  
swords,

And they killed the mountain people, so they won their just  
rewards.

Now they stood beside the treasure on the mountain dark and  
red

Turned the stone and looked beneath it;  
peace on earth was all it said.

### *Chorus*

## Dona Dona

On a wagon bound for market  
There's a calf with a mournful eye.  
High above him there's a swallow  
Winging swiftly through the sky.

### *Chorus*

*How the winds are laughing*

*They laugh with all their might*

*Laugh and laugh the whole day through*

*And half the summer's night.*

*Dona, dona, dona, dona, Dona, dona, dona, do,*

*Dona, dona, dona, dona, Dona, dona, dona, do.*

"Stop complaining," said the farmer,  
"Who told you a calf to be?  
Why don't you have wings to fly with  
Like the swallow so proud and free?"

*Chorus*

Calves are easily bound and slaughtered  
Never knowing the reason why.  
But whoever treasures freedom,  
Like the swallow has learned to fly.

*Chorus*

## Where Have All The Flowers Gone

Where have all the flowers gone? Long time passing.  
Where have all the flowers gone? Long time ago.  
Where have all the flowers gone? Young girls picked them  
every one.  
When will they ever learn? When will they ever learn?  
Where have all the young girls gone? Long time passing.  
Where have all the young girls gone? Long time ago.  
Where have all the young girls gone? Gone to young men  
every one.  
When will they ever learn?  
When will they ever learn?

*Continue song changing lines as follows:*

*Young Girls to Young Men*

*Young men go to Soldiers*

*Soldiers go to Graveyards*

*Graveyards go to flowers*

## Pass It On

It only takes a spark to get a fire going  
And soon all those around us can warm up to its glowing  
That's how it is with God's love once you've experienced it;  
You'll want to spread his love around, you'll want to pass it on.

What a wondrous time is spring when all the trees are budding.  
The birds begin to sing, the flowers start their blooming.  
That's how it is with God's love once you experience it.  
You'll want to sing it's fresh like spring, you'll want to pass it on.

I wish for you my friend this happiness that I've found  
You can depend on him, it matters not where you're bound.  
I'll shout it from the mountain tops (HEY WORLD)  
I want my world to know  
The lord of love has come to me, I want to pass it on.

And I'll shout it from the mountain tops( HEY WORLD)  
I want my world to know  
The lord of love has come to me, I want to pass it on.

## Kum Ba Ya

Kum ba yah my lord, Kum ba yah!  
Kum ba yah my lord, Kum ba yah!  
Kum ba yah my lord, Kum ba yah!  
Oh Lord, Kum ba yah.

*(repeat using each:)*

*Someone's crying, Lord, Kum ba yah!*

*Someone's praying, Lord, Kum ba yah!*

*Someone's laughing, Lord, Kum ba yah.*

*Someone's singing, Lord, Kum ba yah!*

Come by here, Lord, Kum ba yah
