Trails of Camp Timberlane

Camp Timberlane has a rich array of natural features that can be enjoyed by using the established trail system. Girl Scouts of North East Ohio encourages campers and hikers to Leave No Trace, and to pick up debris if found on our trails. As a reminder, all Girl Scouts must follow all Safety Activity Checkpoints.

Questions? Please contact Customer Care by emailing customercare@gsneo.org

All trail heads are marked with coordinating colored sign. See Map Key.

Naturalist Trail (D/B/J/C/S/A)

Pink Blazes- This easy to moderate difficulty trail starts behind Stocker Lodge. This hike crosses Green Bridge over Frankenberg Creek. There is an exposed hillside great for geographical observations. Trail ends back at Stocker Lodge.

Connecting Trails (D/B/J/C/S/A)

Yellow Blazes- This moderate difficulty trail starts at any unit and loops around all units. The trail crosses Frankenberg Creek twice, over the Green Bridge and Mary Lou Bridge. You will end where you started!

Woodhaven Trail (J/C/S/A)

White Blazes- This easy loop trail starts just past Woodhaven Day Camp area on the Perimeter Trail. While on this trail you will see the Historic Farm Dump, Gnome Village, and the scenic overlook of the Vermillion River Valley. **Note: This trail is easy but the hike out to the trail head is considered moderate in difficulty.**

Lake Timberlane Loop (J/C/S/A)

Blue Blazes- This easy trail starts at the Welcome Center. You will travel through a young man-made forest that includes 20,000 trees that were planted in the early 60's. You will hike past the highest point in camp, Windy Hill, 850ft above sea level. **Note: This trail is not named on the map. It is a section of the Perimeter Trail that goes around Lake Timberlane on the North side of camp.**

Perimeter Trail (C/S/A)

Blue Blazes- This hike ranges from easy to strenuous in difficulty. You will cross Frankenberg Creek four times over some of Timberlane's most unique bridges. The trail goes up and down ravines and ridges in the more difficult areas and includes flat areas and flood plains.
