

Fall Product Program 2026 Juliette Guide

What is the Fall Product Program?

The Fall Product Program (FPP) helps Girl Scouts build the 5 essential business skills: **Goal Setting, Money Management, Decision Making, Business Ethics, People Skills.**

Girl Rewards

Girl rewards and proceeds are automatically calculated in the M2 system based on the dollar value of the items sold.

Girls will earn 20% profit on every item sold!

Funds are held in the Juliette account at GSNEO. Caregivers will receive an email at the end of the program advising available funds and how to use them

Girls can also earn the rewards and Pathway Passes depicted on the order card. Rewards are cumulative, which means the girl earns the rewards to the sales level achieved. As orders are placed, girls can log into their online site to see what they have earned as well as make their reward choices.

Reward Opt Out - Juniors, Cadettes, Seniors, and Ambassadors have the option to opt out of rewards to earn an additional 2% profit.

Snack Order Card

Product and Selling Information

The snack order form has 20 delicious nut and candy items. All items are between \$6 and \$15. The customer pays when the snack items are delivered to them in November.

The in-person order card also contains a field for the Care to Share Service Project, in which snacks are sent to the military. Last year we sent 3,924 snack items to deployed military around the world!

Participating Online

Beginning August 26, girls create an online account in the M2 system. Within her online account, she creates an avatar with her own virtual likeness, enters e-mail addresses and creates a personal message to send to family and friends. To increase her sales, we also suggest she record her voice for her avatar or upload a personal video explaining what her troop plans to do with the money earned. She then launches her campaign, and her personal message is sent with links for her customers to shop for magazines, snacks, and other items.

Payment is collected at the time of order (online via credit card) for all products ordered online (including girl-delivery snack items).

All orders placed online (including girl-delivery orders) are automatically added to the M2 System so you do not need to record/enter any online sales.

Girls Can Earn a Patch That Looks Just Like Them!

Girl Scouts can create their own M2 avatar. Avatar patches will be mailed directly to each girl who earns them at the end of the program. Girls must ensure their correct mailing address is reflected in the M2 system.
