

# Get **READY TO EXPLORE** with kangaroos and uncover a world of fun in the 2026 Fall Product Program!

## Benefits of Participating

- Girl Scouts learn and practice skills like goal setting, decision making, money management, people skills and business ethics as they earn proceeds for their troop.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.
- Proceeds stay local to benefit our council and troops earn 20% on all items sold.

## How the Program Works

This program allows Girl Scouts to be entrepreneurs by offering family and friends the opportunity to purchase from a variety of products. There are two ways to participate:

- In-person by taking orders using the nut order card and collecting payments.
- Online by inviting friends and family to order. Customers can choose to have nuts and chocolates, Girl Scout themed BarkBoxes, magazines, and much, much more shipped directly to them. They can also choose select nut and chocolate items for Girl Scout delivery.

## Important Dates

- **August 26:** Program begins – online ordering opens and Girl Scouts may sell in-person.
- **October 11:** Last day of order taking with the order card AND deadline to enter the items sold into the online system.
- **October 14:** Last day for online girl delivery orders.
- **November 5 - 7:** Snack items will be delivered to Service Unit volunteers.
- **November 20:** Program ends - last day for online shipped orders.

## All About Kangaroos

**Scientific name:** Macropus

**Weight:** 40 to 200 pounds

### Interesting Facts:

- Kangaroos can hop up to 35 miles per hour in short bursts.
- A kangaroo can leap 30 feet, as long as a school bus.
- Kangaroos have a thick, strong tail that works like a third leg.
- Kangaroos cannot walk backward.
- Kangaroos carry and raise their babies in a warm, protective pouch.

**Height:** 4 to 6 feet when standing

**Life span:** 8-12 years in the wild and over 20 years in human care
