

Cookie Booths Council Booth Sign-Up

Each year, GSNEO contacts over 400 locations to help troops in all areas engage in sales directly to the public. These locations are secured by council and reserved by troops using eBudde. When sign-ups begin, they are on a first-come, first-serve basis and are open to all troops in the council.

We start uploading booths in January. See below for our Council-sponsored booth sign-up schedule:

January 19, 3pm

Troops may log on and request sites. Troops can select 2 Council-sponsored time slots. These booths may not be at the same location or chain. My Sale requests do not count as the 2 eligible slots.

February 2, 3pm

Troops may request 2 more Council-sponsored locations. This will allow a troop to have up to 4 locations before they place their initial order; this does not include My Sale requests.

February 16, 3pm

Troops may sign up for any additional available booth locations. Be sure not to sign up for more booths than your troop can manage. Discuss the schedule with the troop before you reserve additional spots.

eBudde Online Version: Click Booth Sales Tab

eBudde Mobile App: Click on the Booths icon

Booth Sales

1. Click **SIGN UP FOR COUNCIL BOOTH**.
2. Click the **DROP-DOWN ARROW** next to your preferred city to see available locations.
3. Click on the **LOCATION** to see available dates and times (in green). Click on an **OPEN TIME SLOT** to insert your troop number.
 - Make sure to review the notes section to review special conditions regarding the location. The first word will be Inside or Outside, which denotes booth location at the store.
4. Click **SUBMIT** to reserve your space. You will receive an on-screen message that your time is reserved.

All scheduled Council-sponsored booth locations will be visible on the Cookie Finder for customers to view.

Need to cancel your booth?

Release your spot in eBudde so another troop can claim it and so that it is removed from the Cookie Finder. Following the same steps above, click on **YOUR TROOP NUMBER** when you get to the time slots - it will remove your number. Click **SAVE** to record the change.
