# Welcome to Camp!

## Dear Caregivers,

Welcome to the Girl Scouts of North East Ohio Summer Camp Guide. We're thrilled to open another season of discovery, connection, and adventure for every Girl Scout who joins us. Whether your camper is stepping into camp for the first time or returning to a familiar home in the woods, we're honored to walk alongside her this summer.

Camp is more than time away from home—it is an intentionally designed experience where girls grow in courage, confidence, and character. Each day blends movement, creativity, reflection, and hands-on exploration. Campers learn to trust themselves, care for one another, and embrace the joy of being outdoors. In community and in play, they practice the skills that help them thrive long after summer ends.

Safety, belonging, and program quality guide everything we do. As an ACA-accredited camp community, we follow rigorous standards for youth development, staffing, health, and risk management. Our trained and compassionate staff serve as mentors who create a supportive, inclusive environment where every camper feels seen, welcomed, and encouraged to try new things.

This guide highlights the many opportunities your Girl Scout can experience this season. No matter which session she chooses, she'll be surrounded by caring adults, new friends, and meaningful moments that spark curiosity, build resilience, and nurture a deep sense of belonging.

Thank you for trusting us with your Girl Scout. We can't wait to share a summer filled with wonder, growth, and memories she'll carry with her for years to come.

**Jessica 'Twilight' Potts**  
*Camp Ledgewood Director*

Jessica "Twilight" Potts has spent her life growing alongside camp, and she brings that same spirit of growth to every camper she meets. She leads with warmth, curiosity, and a deep belief in the power of the outdoors to help girls thrive. Under her guidance, Camp Ledgewood is a place where every child feels safe, supported, and encouraged to try new things. Whether crafting in the sunshine or cheering on a camper at archery or on the water, Jessica's focus is always the same: helping each Girl Scout discover her courage, confidence, and character.

**Beth 'Dew Drop' Stokley**  
*Camp Timberlane Director*

Beth "Dew Drop" Stokley grew up exploring Camp Timberlane, and those early experiences shaped her love of adventure, curiosity, and community. Today, she brings that same spirit to every Girl Scout who arrives at camp. Beth leads with intention and a deep commitment to helping campers feel seen, capable, and connected to the natural world. Whether she's hiking a familiar trail or cheering on a new camper trying something brave, Beth is dedicated to creating a safe, joyful environment where girls discover their strengths and grow with confidence.

**Lisa 'Acorn' Castele**  
*Jane Norton Girl Scout  
DreamLab Director*

Growing up as a Girl Scout, Lisa discovered early the joy of creativity, community, and hands-on adventure. That spark led her to a lifelong love of making and exploring. Whether it's old-fashioned crafting like sewing and crochet, or modern fabrication using 3D printers and laser cutters, she's passionate about mixing tradition with innovation and sharing those skills with others. You'll find her backpacking in the mountains or stand up paddleboarding on Lake Erie. Her goal is to inspire the next generation of makers, adventurers, and STEM enthusiasts to explore, experiment, and create.

# The Girl Scout Difference

## More than a summer camp—an experience designed for girls to grow.

Choosing a summer camp is about more than activities—it's about trust. At Girl Scouts of North East Ohio, our camps are intentionally designed to help girls grow in confidence, independence, and character. From our facilities to our programming to our staff, every part of the experience is thoughtfully crafted with girls at the center.

### Purpose-Built Spaces for Growth

#### Three Camp Properties

GSNEO operates ACA-accredited camp programs, each offering safe, inspiring environments. Our camps feature modern program centers, renovated lodges, swimming pools, waterfronts, challenge courses, observatories, and miles of wooded trails.

#### STEM Center of Excellence

At Camp Ledgewood, the Vivian von Gruenigen, MD STEM Center of Excellence offers hands-on, immersive STEM learning—giving campers access to innovative tools and technology in a space built for creativity, problem-solving, and discovery.

#### Girl Scout DreamLab

For families seeking a flexible, accessible option, the Jane Norton Girl Scout DreamLab offers a dynamic day camp experience in Sheffield. Designed with busy schedules in mind, it offers the same Girl Scout camp experience at an innovative indoor facility.

### Girl-Centered Programs

GSNEO camp programs are rooted in the Girl Scout Leadership Experience and designed around how girls learn, grow, and thrive. Campers are encouraged to try new things, use their voices, collaborate with peers, and take healthy risks in a supportive, confidence-building environment.

Across our camps, girls will find programs that meet them where they are and invite them to grow, including:

- STEM and innovation experiences that spark curiosity and problem-solving
- Outdoor and adventure programs that build independence and resilience
- Opportunities for both first-time campers and seasoned Girl Scouts
- Leadership, travel, and trip experiences that broaden perspective and deepen connection.

### Skilled, Caring, and Committed Staff

Our staff are the heart of the camp experience. Team members are carefully selected and trained in youth development, safety procedures, and emergency response, with First Aid and CPR certification required. On-site healthcare providers support camper well-being, and Camp Directors bring years of experience and leadership to every session.

### A Community of Belonging

At GSNEO, camp isn't just a summer activity—it's a place where girls feel known, supported, and encouraged to be themselves. Through shared experiences, meaningful connections, and intentional care, camp becomes a space where confidence grows and character takes shape—long after summer ends.

## Where Camp Experience Becomes Leadership

### A Return with Purpose

The Counselor in Training (CIT) Program is back—and reimagined. Designed for Girl Scouts ready to step into leadership, this two-week experience blends hands-on learning, mentorship, and real responsibility across two of our premier camps: Camp Ledgewood and Camp Timberlane. CITs don't just learn about leadership—they practice it, reflect on it, and grow into it.

### What CIT's Gain

#### Leadership in Action

Build confidence through guided leadership roles, teamwork, and problem-solving in real camp settings.

#### Professional & Life Skills

Learn communication, responsibility, time management, and decision-making skills that translate far beyond camp.

#### Safety & Readiness

Earn First Aid & CPR certification, laying the groundwork for future roles in childcare, education, healthcare, and service.

#### Perspective & Growth

Experience camp through two distinct lenses—two camps, two cultures, one cohesive leadership journey.

#### A Path Forward

This program is a meaningful step toward future leadership roles, including staff opportunities and advanced training.

- CITs are split into two groups
- Week One: One group at Camp Ledgewood, one at Camp Timberlane

# Summer Camp Overview

## 2026 GSNEO Summer Camp Season—Where Every Day is a New Adventure!

Summer at GSNEO is filled with moments that spark curiosity, confidence, and connection. Each program is intentionally designed to support your Girl Scout's growth—whether she is exploring the outdoors, creating something new, or building friendships that last well beyond the camp season.

Our weekly themes add fun and focus to each session, offering girls a chance to follow their interests and try activities that match the pace and energy of their age group. No matter which week she chooses, your camper will be welcomed into a supportive community led by trained, caring staff who are committed to helping her discover her strengths and feel at home in the outdoors.

Let the summer of a lifetime begin!

## How We Group Campers at Summer Camp

Safe. Age-appropriate. Community-focused.

At GSNEO, campers live and participate with others in their same age level. Housing, activities, and daily schedules are designed to match the developmental stage of each group. Campers are grouped with peers close to their own age to support comfort, safety, and meaningful connections. Camp-wide moments—like meals, songs, or all-camp activities—are fully supervised and help build a sense of community while keeping age-level structure intact. Choosing the program for the grade your Girl Scout will enter in fall 2026 helps us create a safe, supportive, and meaningful experience for every camper.

## Why Overnight Camp Matters

Overnight camp is one of the most powerful experiences a young person can have. Away from screens and daily pressures, girls step into a world designed just for them—where they can explore the outdoors, discover new strengths, and build friendships that become part of their story.

In this space of community and curiosity, girls practice resilience, independence, and teamwork. They learn how capable they are, how to make decisions, and how to care for themselves and others. These are skills that last far beyond summer—they're the building blocks of courage, confidence, and character.

Camp is fun. But it's also transformative.

## Camp Buddies

Camper may request one buddy of the same age level to attend camp with them. Each camper must list the other in their registration. We do our best to honor all buddy requests.

## Camper Support & Accommodations

GSNEO is committed to creating a welcoming and inclusive camp experience for every Girl Scout. We strive to provide reasonable accommodations for campers with medical, dietary, or other support needs so their time at camp is safe, positive, and empowering. If your camper has dietary restrictions, medical needs, or support needs related to learning, behavior, sensory processing, or emotional wellbeing, please contact Customer Care ([customer care@gsneo.org](mailto:customer care@gsneo.org)) at least two weeks before their session. Early communication helps us understand how your camper thrives and how we can best support her. Examples of accommodations include:

- Coordinating menu substitutions for food allergies or dietary restrictions
- Planning with the healthcare provider for chronic medical needs
- Sharing strategies that help your camper feel comfortable, focused, and supported

For travel programs, campers must be able to self-manage in a group setting with a staffing ratio of 1 counselor to 10 Girl Scouts. Please reach out if you're unsure whether a program is a good fit. Due to the natural terrain of our camp properties, some areas may have limited accessibility, and we're happy to discuss options to ensure your camper's comfort and safety.

## Accreditation

Camps Ledgewood, Sugarbush, Timberlane, and the Jane Norton Girl Scout DreamLab are accredited by the American Camp Association® (ACA). ACA-accredited camps meet up to 300 nationally recognized standards for health, safety, staffing, and program quality.

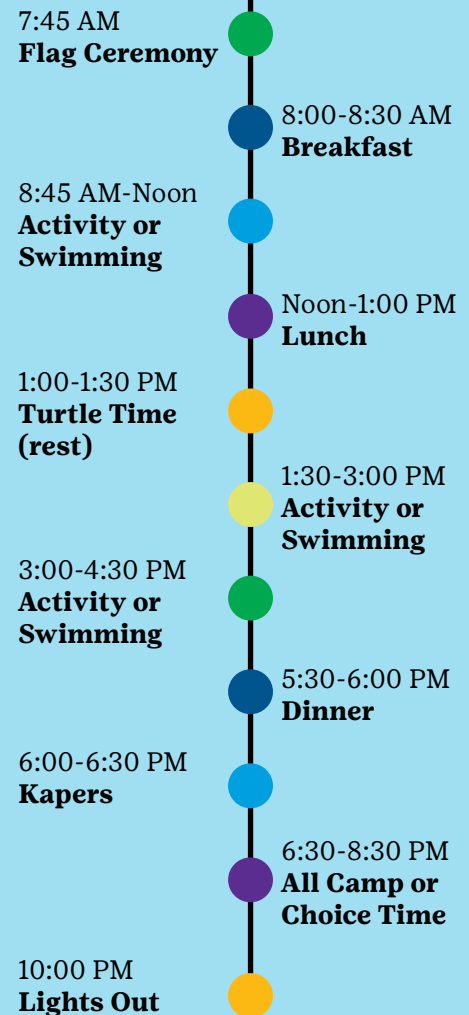

## Camp Staff

Our camp staff is made up of caring, trained professionals recruited locally and from around the world. Prior to the first day of camp, staff complete background checks and extensive training in safety, youth development, emergency procedures, program leadership, First Aid, CPR, and additional activity certifications. Emergency care is provided by local medical responders when needed.

## Healthcare at Camp

A trained health care provider is onsite during all Overnight Camp sessions to support camper wellness, administer routine and emergency care, and manage medications. A current health history form is required for all Overnight Campers and must be brought to check-in.

# Types of Camp

## Overnight Camp

Overnight Camp is a classic summer experience where Girls Scouts live at Camp Ledgewood or Camp Timberlane for the week. Campers can sign up individually or with a buddy and spend their days exploring the outdoors, trying new skills, and building friendships that last long after summer ends.

Each program is intentionally designed to offer age-appropriate challenge, joyful adventure, and a safe, supportive environment where girls can grow with confidence.

## Day Camp

Day Camp is the perfect blend of adventure and the comfort of heading home each evening. Girls spend their days exploring camp at Camp Ledgewood or diving into hands-on creativity and STEM experiences at the Jane Norton Girl Scout DreamLab.

Each session is designed for younger campers and first-timers, offering a full day of guided activities, play, creative projects, and plenty of time with new friends. Led by trained staff, Day Camp nurtures curiosity, confidence, and connection in a safe, engaging environment inspired by Girl Scout traditions and values.

## One Day Programs

One-Day Programs deliver the full camp experience in a single, action-packed day. From themed adventures to classic camp favorites, Daisies through Ambassadors will explore, create, laugh, and play from morning to afternoon. Campers may attend independently or with a friend, choosing sessions that spark their curiosity and joy. It's all the fun of camp—without the overnight stay.

Each program includes themed activities along with a taste of traditional camp fun like crafts, games, and play.

## CORE Camp

CORE Camp gives troops the chance to camp together with the support of our trained camp staff. This is a great option for new troop leaders, first-time campers, or any troop looking for a relaxed, fun time outdoors. Staff-led activities—like swimming, boating, archery, challenge course, and campfire programs—allow leaders to focus on connecting with their girls while we handle the specialized pieces.

## Family Camp

Family Camp invites Girl Scouts and their families or close friends to enjoy camp together. With staff-led activities such as hiking, swimming, canoeing, archery, and campfires, families can share in the adventure, try something new, or simply unwind in the beauty of camp. It's a wonderful way to start or continue a summer tradition.

## Community Day Camp

Community Day Camps are run by dedicated Girl Scout volunteers and offer unique, local outdoor experiences rooted in creativity, teamwork, and shared tradition. Each camp brings its own personality and theme, with volunteers trained to lead safe, age-appropriate activities that inspire exploration, skill building, and friendship.

		Max 125	Leave your electronics at home and enjoy days of outdoor living, mosquito bite-itching, occasional shower-skipping, campfires, and singing fun! Spend your nights in a rustic setting while the crickets sing you to sleep. Wake up with the birds, paddle canoes on the lake, shoot arrows and air rifles on the target range, swim, craft, and hike the trails. You'll even gather wood to cook some of your meals over an open fire. You'll play, you'll sing, and you'll laugh!

# Trading Post

## Camp Ledgewood and Camp Timberlane

Come prepared to enjoy all that the Trading Post has to offer!

### What is the purpose of the Trading Post?

The Trading Post is offered to your camper to enhance the camp experience by providing merchandise to create lasting memories of their time at Girl Scout camp.

### When will my camper visit the Trading Post?

Review the posted schedule during check-in! Typically, Camp Timberlane is open Thursdays and Camp Ledgewood on Wednesdays, though hours may change to fit camp programming.

Overnight campers and family camp programs will have scheduled time with their group to visit the Trading Post.

### How will my camper pay for Trading Post merchandise?

Camp shopping made simple! At check-in, caregivers can open a cash account for their camper with our retail team. We'll provide a pre-marked envelope for your camper's spending money and keep it safe until their Trading Post visit. Then any unused money heads home with them at check-out.

### What is normally spent by a camper at the Trading Post?

Campers spend between \$15–\$35 each week at the Trading Post, and \$25 is the sweet spot—just remember to leave room for sales tax!

### Is Trading Post money required?

It's completely optional, but campers really enjoy grabbing a little keepsake for family or themselves at the Trading Post.

*Our camp store, called the **Trading Post**, is one of the highlights of camp! Campers look forward to purchasing keepsake camp items.*
