There are lots of ways to volunteer with the troop. Check your choice below. Put a #1 next to your first choice.

Troop Leader: Organize, plan and lead meetings, activities, and oversee the overall function of the troop. You'll get lots of training online and in-person, including the Volunteer Toolkit to help you along the way with planning, badges, Journeys, communicating with families, and record-keeping.

Troop Treasurer: Manage the troop's budget, funds, bank account, and submit the annual Finance Report. Help girls take the lead in goal setting, decision making, and money management, so they can learn to spend troop funds responsibly.

Troop Helping Hands: Provide the leaders with extra support and supervision. Chaperone events or field trips, bring snacks, help with crafts and activities, or other duties as needed to help troop meetings run smoothly.

Field Trip Driver: Provide safe, reliable transportation for the troop trips and activities outside their meeting location. It doesn't hurt to learn a few Girl Scout songs for the ride!

Troop Admin: Manage the troop's paperwork, permission forms, registrations, and roster. Receive troop mail from council and share Girl Scout news and opportunities with families.

Troop Product Sale Manager/Cookie Program: Coordinate and assist girls and their families with the Girl Scout Cookie Program. You'll participate in training, manage the troop's sales materials, order placement, product inventory, schedule booth locations, and manage/coordinate girl rewards. (December – May)

Troop Product Sale Manager/Magazine & Snack Program: Coordinate and assist girls and families with this fall program. You'll participate in training, manage the sales materials, order placement, product inventory, and manage/coordinate girl rewards. (September – January)

Do you have any other hobbies or skills you would like to share with the troop?

Who else do you know that may want to join or volunteer?
