

GSNEO Council Trained Volunteer Program

The GSNEO Council Trained Volunteer Patch Program recognizes volunteers who commit to comprehensive training that enhances their leadership and knowledge. Designed to ensure a well-rounded volunteer experience, this program helps participants develop the skills necessary to guide and support both girl and adult members of Girl Scouts. Volunteers qualify for the Trained Volunteer patch by successfully completing courses that explore key principles and practices of Girl Scouting. This program is intentionally challenging to prepare volunteers to create meaningful, high-quality experiences for all members they serve.

GSNEO Trained Volunteer Patch Requirements

To earn the GSNEO Trained Volunteer patch, volunteers must complete the following required courses. *At least one required course must be completed on or after May 1, 2025.
