Service Unit Level Awards

To recognize leaders on a local level, we offer the “Volunteer of Excellence” and “Outstanding Leader” pins, which are made available to service units to distribute locally.

Volunteer of Excellence

Introduced in 2013, the Volunteer of Excellence award recognizes those volunteers who have contributed outstanding service while partnering directly with Girl Scouts in any pathway to implement the Girl Scout Leadership Experience through use of the national program portfolio, or who have contributed outstanding service in support of the council's mission delivery to girl and adult members.

Outstanding Leader

The Outstanding Leader Pin, originally developed by GSUSA in 1987 and adapted by GSNEO in 2020, is given to a primary troop leadership (Troop Leader or Troop Admin) at the service unit level. It recognizes leadership skills that include good communication and membership development.

If your service unit team would like to recognize volunteers at the local level with formal awards, we have Volunteer of Excellence and GSNEO Outstanding Leader pins available. All service units qualify for one (1) of each for FREE, and two (2) of each for FREE if there are over 100 volunteers in the service unit (additional pins can be purchased).

Pins may only be requested once per Girl Scout Membership Year (Oct 1-Sept 30). Certificate templates will be emailed to anyone who requests the pins. Pins will be available for pickup and/or mailed within 3 weeks of submitting form. For specific questions, please contact Customer Care via email (customercore@gsneo.org), phone (800-852-4474), or live chat at gsneo.org.
