## Virtual Troop for Leadership and Justice

**Calling all girls who want to make a difference  
in their community and have fun doing it!**

Do you feel a need to make things fair for everyone? Our inclusive, multi-level troop emphasizes the social justice values advocated in the Girl Scout Promise and Law.

We promote a positive self-image and the development of life and leadership skills by encouraging empathy, critical thinking, and an understanding of our individual and collective power to make this world a better, and more just, place.

Our troop is currently accepting girls in grades 4-12. Because we are a special interest troop, you can join us as a new Girl Scout or as a member of another troop.

## Juliette Spotlight: Kathryn G.

I had the opportunity to travel to Savannah, Georgia with my family recently where we visited the Juliette Gordon Low Birthplace. This is where Juliette Low, the creator of Girl Scouts, was raised. We were able to tour her luxurious house where her sculptures, paintings, books, and souvenirs from her world travels are displayed. It was quite inspiring to be immersed in her childhood home and learn about her upbringing that motivated Juliette to ignore social norms and set a strong example for young girls in her community, which eventually became an international organization. Another member of the tour group was from England, and she told us about her involvement in Girl Guides, which is England's equivalent to Girl Scouts. Juliette's strong legacy was evident not only in what was displayed in her childhood home, but also to how her example has impacted women and girls all over the world to this day!

## Be Featured in the Juliette Spotlight

Girl Scout Juliettes (and their caregivers) are some of the most inspiring people in the world! Share your story or memory with GSNEO for a chance to be featured in an upcoming issue of the Juliette Gazette or on GSNEO social media.
