Cookie Program

When you participate in the Girl Scout Cookie Program, you're part of something even bigger than you; you're part of the largest girl-led entrepreneurial program in the world! Having the opportunity to run your very own cookie business gives you skills essential for success today and in the future.

The [Cookie Program](#) runs **January 13-March 30, 2025**. It's not too early to start getting ready!

If you haven't done so already, complete the [Juliette Financial Responsibility Form](#) – once received, her sales materials will be mailed to your home prior to the start of the Cookie Program, and she will be added to Digital Cookie, the online program platform. Sales materials will include a list of important due dates, instructions on how to access Digital Cookie, how to submit orders, where to pick-up the cookies, how to submit payment, and contact information for the GSNEO staff member who will help manage her program.

Cookie Entrepreneur Family Pin

It's never been easier to support your Girl Scout Juliette as she develops business skills, makes amazing memories, and earns a different pin every cookie season. The simple, age-specific guidelines meet her where she is developmentally, making success a snap.

Juliette Funds

Did you know Girl Scout Juliettes who have participated in product programs may have funds available at GSNEO to use for membership, activities, and events? To request funds, please [complete this form](#).

Thank-a-Thon 2024

Your Juliette is invited to be part of Girl Scouts of North East Ohio's annual Thank-a-Thon event from November 18-23! **This event is for Girl Scout Juniors, Cadettes, Seniors, and Ambassadors.**

It is so important that our leaders know how much they are appreciated, and who better to tell them than our girl members? Girls will be asked to call troop leaders to thank them for volunteering and making a difference in the lives of Girl Scouts. Our goal is for every first year troop leader to receive a personal phone call from a Girl Scout! Opportunities to participate are available at Macedonia, North Canton, and Youngstown GSNEO service centers.

This is a great opportunity for Girl Scouts to gain experience speaking and polish how they present themselves over the phone. Plus, it can count for service hours towards PA and VIT! [Sign up here.](#)
