GSNEO STEM Center of Excellence

Zero-Cost Sponsored Field Trip Experiences

2025-2026 School Year

- Eligibility
 - Schools must be a public school in the [GSNEO footprint](#).
 - District must have 80% or more students qualifying as economically disadvantaged in the most recent [District Profile Report per the ODEW](#).
 - Current list:

Akron City	Canton Local	Euclid City	Niles City	Warren City
Alliance City	Clearview Local	Garfield Heights City	Painesville City	Warrensville Heights City
Ashtabula Area City	Cleveland Heights - University Heights	Lisbon Exempted	Ravenna City	Wellsville Local
Bedford City	Cleveland Metropolitan	Lorain City	Sandusky City	Windham Exempted Village
Campbell City	East Cleveland City	Maple Heights City	Southern Local	Youngstown City
Canton City	East Liverpool City	Massillon City	Struthers City	
- Teachers should review the full [GSNEO Field Trip Guide](#).
- Teachers must complete the [Zero-Cost Field Trip Experience Application](#) to be considered. Trips are reviewed on a rolling basis.
- Each Zero-Cost trip includes:
 - Programming for approximately 75 students.
 - Full day (approximately 4 hours) of STEM programming that is rooted in core-content, computer science and technology standards, workforce development, and grade level appropriate.
 - Round-trip transportation from their school to the GSNEO STEM Center of Excellence.
- Schools / students must bring their own lunch to the trip.
- Trip content will be determined collaboratively by the GSNEO STEM Team, sponsorship, and the organizing teacher.
- Permission slips will be requested for all participating students with a photo release to share with sponsors.
- The GSNEO STEM Center of Excellence is located at Camp Ledgeswood in the Cuyahoga Valley National Park at 6751 Akron-Peninsula Rd. Peninsula, Ohio
