Welcome to the Vivian von Gruenigen, MD
STEM Center of Excellence

Explore Science, Technology, Engineering, Math, Nature, and more at the STEM Center of Excellence on the Daley Family Campus for STEM Innovation.

With a theme of "Making the world a better place through nature inspired design" visitors will be immersed in exciting learning spaces inside and out. Nestled in the scenic Cuyahoga Valley National Park, the 8,000-square-foot STEM Center of Excellence boasts a wet lab, woodshop, tech lab, maker space, and various outdoor learning spaces. Visitor can dive into exciting activities, including robotics, ecology, woodworking, and engineering challenges amid nature. At the STEM Center of Excellence, your team

will be immersed in inspiring programs and trainings built just for them. It's your time to grow, explore STEM, and shape the future!
