

Green Team

Volunteer Position Description

When you see the whole, your part makes sense.

The Green Team is a group of helpers who jump in to tackle fun and useful projects all year long! Every time you sign up, you might get to do something new—like putting together camp kits, organizing patches, helping with event prep, or pitching in on special office projects. It's a flexible way to volunteer, and you choose projects that fit your schedule and skills.

Alone we can do so little; together we can do so much!

As a Green Team Volunteer, you'll get support from the Volunteer Partnership Coordinator.

Know your role. Rock your role.

- Try different kinds of tasks—each project will be unique!
