Volunteer Information

Volunteer jobs: To ensure all girls have a fantastic experience, all adults in attendance must volunteer in some capacity (i.e. Unit Leader, Camp Guide, Kitchen Aide, Program Facilitator or Event Volunteer). Your volunteer assignments will be based on your indicated interest. Once the master schedule is complete, you will receive an email with your housing assignment and volunteer schedule.

Accommodation: Please note that this is not a "troop" event, so it is not guaranteed that members of your troop will remain together. No troop adult working as a volunteer will remain in the same unit as their troop. Arrangements will be made so Safety Activity Checkpoints ratio will be followed.

GSUSA Membership and Background Check: All overnight volunteers must be GSNEO registered and approved volunteers and have completed a GSNEO criminal background check within the past 3 years. If you are not a registered Girl Scout Member, [follow this link](#). If you are missing either one of these qualifications, you will be notified. You will be unable to attend the Cadette Summit if either of those qualifications are incomplete.

Volunteer Orientation: The Cadette Summit is an awesome, exciting, crazy, happy, busy weekend, involving many people to ensure a great program. All volunteers are required to attend a webinar training in lieu of an on-site training. We will cover job roles and responsibilities, schedules, activities and property-specific information. Webinar dates and information will be sent out soon.

All about the Summit!

Overview: Every year, Camp Ledgewood hosts the Cadette Summit- a weekend all about Cadettes! In this action-packed weekend, Cadettes head to camp and choose their own adventure. This program offers girls an opportunity to develop their independence, time management skills, enjoy all that Camp Ledgewood has to offer, and make new friends from all over GSNEO's footprint.

Program: All girls chose their five programs upon registration for the Cadette Summit on a first-come, first-choice basis. Girls should know their program choices prior to arrival in order to pack accordingly.
