What's in the Camp Guide?
Dear Caregivers,

There are many options for girls and deciding what to do with her time can be a big decision! We're glad that you're considering Girl Scout Camp for your girl this summer!

Girl Scout camp is an extraordinary experience! The atmosphere is charged with excitement that girls can instantly feel, and that excitement helps any feelings of apprehension they might have melt away. First time campers may feel nervous about this new adventure and wonder “Will I make friends? How will I learn to find my way? Will I get a top bunk?” These feeling are quickly replaced with enthusiasm, independence, a sense of belonging, and hopefully a top bunk! She'll develop a strong connection with nature and learn to help protect it for others to enjoy. In just a week she'll make new friends, take on new responsibilities, and she might even overcome her fear of heights on the high ropes course or take a brave beginning step on the low ropes.

The camp experience is as unique as each girl. Some may find passion in musical theatre, others in the animals they encounter, and some just love the great outdoors! We can say with confidence that Girl Scout camp will be impactful and meaningful to every girl. Research shows that girls learn best in an all-girl, girl-led, and girl-friendly environment. We offer that, and more! Girl Scout Camp is a place where girls can bond with caring adults – role models – who will encourage her to take on challenges without fear of failure. She'll explore her creative side in singing and dancing, while being inspired by the nature surrounding her. She'll take risks like learning to take aim at a target with an air rifle or bow and arrow, conquering the challenges of paddling the waters in a canoe, or simply swimming in the pool! She'll do all this while learning about compassion and empathy as she helps encourage other girls who may not be as confident in their abilities yet - it's all part of growing into her leadership skills like a go-getter!

We are proud that our camps offer a safe space where girls can be themselves, interact with girls (and adults) from different backgrounds, and develop outdoor skills! Girls who attended camp last year overwhelmingly said they had a great experience: 95% of girls said they tried something new for the first time; 98% said they learned teamwork skills; and 95% said they learned practical life skills. We look forward to welcoming back last year's campers – and are excited to meet new ones! As you flip through the pages of this camp guide, know that there are wonderful experiences waiting for every girl. We can't wait to start the fun of camp this summer, and we hope your girl will join us!

Yours in Girl Scouting,

GSNEO Camp Staff

Natalie ‘Disney’ Lane
Camp Ledgewood Director

There’s no place like camp! Natalie became a Girl Scout in first grade and is now a member for life. She started going to Girl Scout camp in North Carolina and quickly realized it was the place for her. Natalie loved being outdoors, learning how to care for the environment, build a campfire and sing Girl Scout songs! She completed the CIT program at Camp Ginger Cascades in NC and spent 6 summers working first as a counselor, then Program/Waterfront Director, and finally Assistant Camp Director. Natalie graduated with a Bachelor of Science in Recreation Management and loves to focus on STEM programming and outdoor education. She believes that Girl Scouts provides an avenue to recreating in the outdoors like no other program, and that doing so teaches girls to be confident, and act with character and courage. Natalie loves to hike, hammock, and reenact scenes and songs from Disney movies. She can't wait to see you at camp!

Catie ‘Tink’ Hewitt
Camp Timberlane Director

As a lifetime member and Gold Award recipient, Catie is a proud Girl Scout to the core. She went to camp for the first time with her Girl Scout troop when she was in the second grade and has been captivated by the outdoor life ever since. She started her camp career as a Unit Leader at Camp Ledgewood. For several years after that, she worked as a Unit Leader, Program Director, and Assistant Camp Director at Camp Timberlane. Catie also worked as a Community Membership Executive for GSNEO for two years and assisted communities across Lorain, Cuyahoga, Summit, and Medina Counties with their Girl Scout recruitment, retention, troop support, and community partnership initiatives. Even though she really enjoys spending time in a canoe and eating pie iron pizzas made over the fire, Catie’s favorite part of camp is the campfire at the end of the week where all the campers gather to sing songs, make s’mores, act out skits, and talk about all the exciting things they got to do during their week at camp. Nothing is more rewarding than watching a girl grow at camp!
Want a sneak peek of camp?

Come to our camp open house events and see what camp is like. This is a family friendly event! Whether you are interested in troop camping or resident camp, our volunteers and resident camp staff will lead you and your family in nature activities, crafts, and tours of each camp. Stay the afternoon and we’ll provide the campfire and s’mores, along with a few other activities!

*must be 5 years old and have completed Kindergarten by June 1 to register*
Registration
Registration opens on March 3, 2020 at 6am. Programs are filled on a first-registered, first-served basis. The online system indicates program capacity and remaining spaces available as well as a waitlist. Choose the ‘Events’ tab to find a program. Girl programs are searchable by name, program level, and date. First time visitors to GSNEO’s online registration must become a registered user by creating a profile and password when prompted during the registration process. Once you complete this step, your information will be stored and available for future registrations. Choose your program, add girl and adult participants, then proceed through payment options. Be sure to complete your order. You’ll receive an email registration confirmation. Programs may be cancelled if the minimum number of participants is not met.

Waitlists
Being placed on a waitlist does not guarantee placement into the program. Waitlists are dependent on cancellations being received. If you are removed from the waitlist and placed into a camp, you will receive an email notification with links to make payment.

Membership
All girls participating in Summer Camp Programs and any adult spending the night for a family or troop program must be a registered Girl Scout. To complete a membership registration go to gsneo.org and click ‘Join Today’.

Payment
Full payment is due at the time of registration for all Summer Camp programs, except for Resident Camp.

Resident Camp requires a non-refundable deposit of $75 to secure space in each session requested, with the remaining balance due no later than three (3) weeks prior to program start date. Payments and deposits may be made by credit card, debit card, or Pathway Passes.

Pathway Passes
Pathway Passes are rewards earned by girls through participation in Council sponsored product sales programs and other activities. Codes for earned passes are delivered electronically. Detailed information about retrieving Pathway Pass codes is available at gsneo.org.

Pathway Passes must be applied to the program at time of registration in the field labeled discount code during check out. Multiple codes may be used by entering all of them, separated by a comma(s).

Pathway Passes earned from the most recent cookie program are available after April 13. Payments made for programs prior to cookie program Pathway Passes being issued are not eligible for reimbursement.

Pathway Passes may be applied to outstanding resident camp balances after the initial order has been placed.

Scoutship
Families that have a financial need may apply once per year, per girl for Scoutship assistance. Limited funds are available to support participation in Council-sponsored programs and events. To apply, complete the Scoutship Application and submit the request. Scoutship candidates must be in good financial standing with GSNEO and GSUSA, and current registered members. Scoutship requests are limited to one (1) summer camp program, which exceeds $100 in cost per girl, per registration, and is subject to availability of funds. For more information on GSNEO Scoutship, visit gsneo.org and use search word: SCOUTSHIP.

Refunds & Rescheduling
To reschedule or cancel your camp registration, contact the registration department by emailing registration@gsneo.org. Please include your registration number and we’ll do our best to help you reschedule.

It’s best to make changes to your camp registration as far in advance as possible. We may not be able to accommodate changes that occur within two weeks of your camp session. Please note, there is a $25 administration fee to change resident camp sessions.

Participants who request a refund 45 days or more before a camp session will receive a refund. Deposits made on resident camp sessions are non-refundable. Refunds are not given within 45 days of a program, or if a member doesn’t attend the event. Prorated refunds are not given if a member doesn’t attend the full program. In some cases, a partial refund may be granted for family or medical emergencies; however, notification must be given before the event and followed up with a written request within two weeks to registration@gsneo.org.

Occasionally, GSNEO must change or cancel a program. If this happens, we’ll notify you as soon as possible and provide either a full refund of the camp reservation fee or placement into an alternate session.
Camp Buddies

We know that it’s important for some girls to attend camp with a friend! GSNEO will do our best to accommodate all requests for girls to attend Summer Camp programs with their designated buddy. When registering, EACH girl must list her buddy in the designated area in the registration system. Buddies must be registering for the same camp session of appropriate age level for both girls. Only one buddy request will be accepted for each program registration.

Camp Staff

Our dedicated camp staff is on-site to guide each girl’s camp experience. A diverse staff is recruited locally, nationally, and internationally. All staff are screened, receive background checks, and are at least 18 years old. Younger staff members, ages 16-17, are considered junior staff and are supervised at all times. All camp staff are trained in safety and security, emergency procedures, programmatic elements, and are First Aid and CPR Certified. Emergency care is handled by local emergency responders or hospital emergency rooms, when necessary.

Special Needs

GSNEO strives to make reasonable accommodations for girls with special needs and/or dietary restrictions. Due to rugged terrain, some areas of camp might not be accessible. Please contact the Manager, Outdoor Girl Experience at 330-983-0437 or email ddefiore@gsneo.org no later than 2 weeks in advance to determine what is available to make your girl’s camp experience safe, fulfilling, and rewarding.

Accreditation

Camps Ledgewood, Sugarbush, and Timberlane are accredited by the American Camp Association (ACA). Accredited camps must comply with 300 national standards for health and safety.

Health History Form

A current health history form completed no more than 12 months prior to the Girl Scout’s arrival at camp is required for all resident campers. A form will be sent with confirmation materials. Bring the completed form to camp. Please note, this is not the same camper physical form that has been used in the past years. A physician’s signature is no longer required. NO GIRL WILL BE ADMITTED TO CAMP WITHOUT THIS COMPLETED FORM. All forms are kept by GSNEO at the end of the camp season.

This summer we are offering one-day program sessions at Camp Timberlane for Daisies entering first grade through Cadettes. Girls can register for more than one session, but only register for one session per day. In addition to activities specific to the program session, girls will be offered other traditional camp activities such as crafts and games. Most programs will be scheduled for swimming. This program is designed for girls to attend on their own or with a friend. Caregivers drop off campers and return to pick them up. Caregivers and troop leaders are not permitted to stay at camp. In case of inclement weather, other activities will be offered.

Oogly Moo and Friends

Oogly Moo is the Camp Timberlane fairy spirit who watches over all the campers who come to visit! Spend the day with Oogly Moo’s elf, fairy, and gnome friends. Make fairy treasures and take a magical hike to visit new friends in the forest.

Pastry Puffs – Timberlane

A spoonful of sugar, a dash of friendship, and of course, a sprinkle of laughter! Learn the basics of baking and create a very special snack. Design your own apron for the next time you’re in the kitchen.

Baby Shark

What do baby sharks like to doo-doo, doo-doo-doo best?! Spend time splashing around in the water of course! Spend a day at camp playing wet and wild water games, get soaked on the splash pad, enjoy a game of Baby Shark and Minnows in the pool, and make a Baby Shark of your own to take home! Participants will be required to take a swim test to determine which section(s) of the pool best suits their skill level.

Ooey Gooey Science

Do you enjoy an ooey gooey mess? Do you like to mix and concoct? We do, too! Join us for some silly, slimy, science experiments. Make icky concoctions and small explosions that will make you say, “Science rules!”

Outrageous Olympics

Celebrate the 2020 Summer Olympics by playing fun and wacky games at camp. Will you take home to Gold in Gaga Ball or the Silver in Scoop Ball? What country will you represent while playing Scooter Hockey? Only the best summer games are in store for you during this day of friendly competition and good sportsmanship.

Archery - Timberlane

Be on target as you spend the day sharpening your archery skills. Improve your aim and get tips on shooting style and form. Take what you learn and finish the day with a friendly archery competition!

Row, Row, Row your Boat

Merrily, merrily, merrily, merrily, life is but a dream at Camp Timberlane! Spend the day out on the lake trying out all 5 different kinds of boats: row boats, paddle boats, canoes, FUNyaks, and the Corcls. You’ll learn paddling basics that will help you maneuver around the lake while you play water-based games with your new friends.

Wet and Wild

It’s a water lover’s dream – swim in the pool, learn about the ecosystem that is Lake Timberlane, go fishing, and skip through the splash pad. You might be waterlogged by the end of the day! Participants will be required to take a swim test to determine which section(s) of the pool best suits their skill level.

Rock On (Belay)!

Soar to new heights as you challenge yourself at On the Rocks Climbing Gym in Amherst. Whether it’s your first time or you’re an experienced climber, you’ll spend the day conquering the different walls and proving just how much you rock!

Come prepared to enjoy all that the Trading Post has to offer!

Our camp store, called the Trading Post, is one of the highlights of camp! Girls look forward to purchasing keepsake camp items.

The Trading Post will be open during check-in and/or check-out for resident camp programs.

What is the purpose of the Trading Post?
The Trading Post is offered to your camper to enhance her camp experience by providing merchandise to create lasting memories of her time at Girl Scout camp.

When will my camper visit the Trading Post?
And, can caregivers visit the Trading Post?
The Trading Posts are open on Sunday and Friday for full week resident camp check-in and check-out to allow caregivers to view and purchase camp merchandise. And, during the full week resident camps, your camper will be offered time with their camp group to visit the Trading Post. In addition to these times, the Trading Post will be made available to campers during family camps, CORE camp, and a few other special summer camp programs, when possible.

What merchandise is available in the Trading Post?
The Trading Post has camp branded youth and adult apparel which is unique to each camp! And, can only be found at camp! In addition to camp apparel the Trading Post has camp related merchandise: fun patches, camp journals, water bottles, cups, stuffies, turtle time games, and other camp related items.

How will my camper pay for purchases?
At camp check-in, caregivers create an account by visiting the Trading Post during the check-in process and completing an envelope to depositing their desired amount with the retail staff. Any leftover money will be sent home with the camper at check-out.

What is normally spent by a camper at the Trading Post?
A camper spends about $15 - $35 per week. But the average amount given to a camper for their Trading Post is $25.

Is Trading Post money required?
No, it is not mandatory. Notably, we do find that the girls love to be able to purchase a keepsake from the Trading Post.
We proudly show our appreciation for everyone at the Girl Scouts of North East Ohio. And we thank you for helping our girls get off to a promising start.
