Chickadee Mitten Tin with Chocolate Covered Pretzels

This collectible tin features a snowy holiday graphic of a hand-fed chickadee. Inside is a favorite sweet and salty snack – crunchy pretzels covered in smooth milk chocolate.

The Chickadee Mitten Tin makes a great holiday gift for family, neighbors, teachers, or anyone else you want to treat!

Did you know that at Camp Ledgewood's Chickadee Program Center, troops can feed the local chickadee population? They have been trained to eat from a girl's hand, just like the photo! This year, for every Chickadee Mitten Tin sold, \$0.05 of the proceeds will go towards purchasing bird food so troops can feed the chickadees by hand at camp! Your customers can enjoy a delicious snack, give a great gift, and help feed the Chickadees!
