Dear friends of Girl Scouts,

At Girl Scouts, girls are the focus – and they have been for more than 105 years.

It started with Girl Scouts founder, Juliette Gordon Low, who believed in the power of every G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™ to become groundbreakers and change-makers.

Since the very beginning, Girl Scouts has created an environment that encourages girls to stand up and speak out about issues that are important to them. They learn that their voices matter and their actions can truly make a difference. We continue to offer the best leadership experience created for girls, by girls, and we are excited by all the ways our program has evolved.

Girl Scouts delivers an unparalleled leadership experience in a safe, welcoming, all-girl environment where “can I?” quickly turns into “I will,” and where girls try new things, develop a range of skills, take on leadership roles, and feel confident in their abilities. It all starts with adult mentors and strong female role models who show girls they can be anything they want to be. Girl Scouts has more than 35 new badges - many introduced in 2017 – that challenge girls to stretch their skills to make the world a better place.

Everything a Girl Scout does, whether it centers on STEM, the outdoors, development of life skills, or entrepreneurship, is designed to meet her where she is now and to grow along with her.

During the 2017 membership year, a strategic alignment team comprised of more than 35 participants, including council and national staff, board leadership, volunteers, and community experts came together to develop strategic initiatives that will position the organization to achieve the benefits promised to families, volunteers, community partners, donors, funders – and girls. It will position Girl Scouts to remain relevant as the preeminent leadership development organization for girls today and well into the future.

We couldn’t have done it without you! Because of your support, we’ve had an impactful year. Your investment in our mission of building girls of courage, confidence, and character, who make the world a better place has enabled us to serve more girls, invest in our properties, launch new programming, and expand our offerings. We are proud of how far we’ve come and are excited about where we are headed.

Thank you for investing in girls.

Laura Watson Schultz, Esq.
Chair, Board of Directors

M. Jane Christyson
Chief Executive Officer

---

**Girl Scout Mission**

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

**Girl Scout Promise**

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

**Girl Scout Law**

I will do my best to be:
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
responsible for what I say and do,
and to respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.
Akron Chapter #124 of NAWIC, National Association of Women in Construction, designed and implemented a “Build Like A Girl” resident camp for girls in grades 6-8 at Camp Ledgewood. NAWIC committee members included Julie Brandle, President and Founder of Metis Construction; Anke Myers, Owner Pro-Fab Steel; Mardi Gauer, Project Manager of The Ruhlin Company; and Rosemary Koly, Retired.

The Learning & Resources Nook

The Learning & Resources Nook makes volunteer training convenient and less time consuming. Training modules are completed online at their own pace when and where it's convenient for them, and they receive badges for completing courses.

11 courses offered with 87 modules
- Welcome to Girl Scouts of North East Ohio
- Troop Leader Basics
- Daisy Troop Leader
- Brownie Troop Leader
- Junior Troop Leader
- Cadette Troop Leader
- Senior Troop Leader
- Ambassador Troop Leader
- Service Unit Volunteers
- Program Volunteers
- Product Sales Volunteers

3,572 courses completed

The Volunteer Toolkit

The Volunteer Toolkit provides online program content, communication tools, and other resources to help volunteers manage troops all year long.

90 In-person Volunteer Trainings Offered
Girl Scouts of North East Ohio, along with its Board of Directors, celebrated the commitment and achievements of 87 volunteers at the 2017 Adult Recognition Ceremony.

Addison Beal of Troop 50215 served on the Girl Media Team at the National Convention. She interviewed delegates as well as Jane Christyson, GSNEO CEO and Sylvia Acevedo, GSUSA CEO, and others.

Troop 50201 of Avon, led by Lisa Wild, collected jeans and plastic for the Sole Hope project, which sends the cut up pieces to Uganda to be turned into shoes for children in need. The girls aimed to send enough supplies for 100 pairs of shoes, and they exceeded that goal by sending enough for 155. They also collected coloring books, crayons, and medical supplies.

Thousands of Girl Scouts participated in Girl Scout Day at the Cleveland Metroparks Zoo.
Girls learn to work as a team to accomplish common goals and solve problems, while building the confidence they need to shine as girls, as young women, and as future leaders.

At Girl Scouts, she’ll make strides – all with friends by her side!

Troop 70536 participated in the Mentor Cityfest Color Run, offering each other encouragement to finish the race.

Troop 60033 earned badges in healthy living and fitness by learning yoga, meditation, aromatherapy, and to always respect themselves.

Girls have confidence in themselves and their abilities and form positive identities.
Troop 90495 donated several cases of Girl Scout Cookies to the Medina Children’s Center, hoping it would provide a glimmer of hope or a smile to a child served by the center. As a result of that connection, members of the troop plan to partner with the center for their Girl Scout Silver Award project.

Members of Troop 71150, Isabella Dominquez, Hannah Fender, Elyse Loveman, and Emily Rolf, earned the Girl Scout Silver Award for their project which made outside recess inclusive for all students in grades K-5 in their school district. They researched and created games that would be easily accessible to all students, no matter their ability.

Girls act ethically, honestly, and responsibly, and show concern for others.

Girls take appropriate risks, try things even if they might fail, and learn from mistakes.

Troop 90495 of Medina, led by Kris Morrison and Lisa Knight, traveled to West Virginia where they experienced the thrill of zip lining, high ropes, horseback riding, and rafting.

Troop 50777 of Lorain took their meeting outdoors for a day of creeking.

Troop 90469 of Medina, led by Germaine Wilson, took first place in the Trefoil car at the Soap Box Derby, beating 99 other drivers!

“The girls have a lot of pride in the car they built and their success as a team.”
Girls desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community, and create ‘action plans’ to solve them.

**Troops 50206 and 50903**

adopted a classroom at West Oso Elementary School in Corpus Christi, Texas, a school affected by Hurricane Harvey. Troop Leader Amy Eldridge found the 3rd grade supply list and her girls got to work, collecting supplies from family, friends, and neighbors – enough for all 20 students in the classroom. They also made cards that expressed their kindness and concern for the students, which were included with the supplies.

**Troop 71352**

wanted to help increase the Monarch Butterfly population, as it has been decreasing over the last 20 years. They decided to build a Monarch Waystation to contribute to Monarch conservation, make a contribution to their local park, and make a difference in their community. Their Waystation was certified through monarchwatch.org – they continue to visit and care for the garden weekly.

**Troop 75202**

struggled with bullying and fostering positive relationships with one another. After having a sit down conversation, the girls and their leader decided to complete activities from the Girl Scout aMAZE Journey. While working through different prompts, they began to communicate better and have a healthy understanding of each other. At the conclusion of their Journey activity, they took a trip to Camp Ledgewood and supported each other through the zipline course!

Girls develop and maintain healthy relationships by communicating their feelings directly and resolving conflicts constructively.
GSNEO hosted a Girl Scout Destination program from July 22–29, 2017, in partnership with The Ohio State University (OSU) Stone Lab on Gibraltar Island in Put-in-Bay harbor. Eight girls from across the United States joined us in Northeast Ohio for the STEM program based off of the Introduction to Aquatic Biology course at OSU. Girls worked alongside researchers learning about the physical and chemical characteristics of the lake, identifying fish, and collecting samples from shore and aboard research vessels. They also took fun excursions including visits to neighboring islands and kayaking in the bay.

On Friday, June 23, 2017, in partnership with NASA Glenn Research Center Space Communication and Navigation group (NASA SCan) and the Amateur Radio on the International Space Station (ARISS), more than 400 people were on site at Camp Timberlane when we made contact with the International Space Station (ISS) for approximately 12 minutes. Astronaut Jack Fisher took questions from 22 Girl Scouts who were excited to ask about life aboard the ISS. These girls were then invited to meet Jack Fisher in person at his mission debriefing at NASA Glenn Research Center.
Girls at Camp
Our camp properties provide girls with a place where they feel safe trying something new, exploring the outdoors, and making memories. Like many councils around the country, Girl Scouts of North East Ohio wants to ensure our properties meet the needs and interests of the girls now and in the future. That's why the Board of Directors established the Master Plan Fund to cover the costs associated with the start-up phase of the Vision 2012 Master Plan. The Master Plan Fund provides for the renovations of Camps Ledgewood, Sugarbush, and Timberlane.

As of September 30, 2017, about $11 million has been raised for the Master Plan construction, which includes approximately $500,000 in contributions and $800,000 from investment returns generated by the Master Plan Fund.

We are excited to report that a portion of the Master Plan has been completed, primarily at Camps Sugarbush and Timberlane. At the end of the fiscal year, there was approximately $4.4 million remaining to complete the start-up phase projects at Camp Ledgewood.

Did you know Girl Scouts of North East Ohio subsidizes about 70% of every member's camp experience?

Girl Scouts of North East Ohio logged 18,208 total camp visits* (12,836 girls and 5,372 adults) to all our camp properties in 2017.

More beds for member's heads! Two new and unique overnight accommodations are now available at Camp Ledgewood. Five new Conestoga Wagons were built thanks to the generosity of Dr. Geraldine Carter and the attendees of Dessert First. The Moss Ledge unit house and cabins have a capacity of 80.

*A visit is defined as any member's attendance at camp and includes multiple visits by the same member.
Green roofs are sprouting everywhere! New metal green roofs now adorn many structures at camp, just part of rehabilitation efforts at camp. A shelter at Green trees now sports a cement floor for easy cleanup and secure footing.

New tree tents are a big hit! Thanks to the Lorain-Medina Rural Electric Cooperative, Inc., girls can now sleep in these new tree tents. Pitched above the ground in trees, this campsite offers an unforgettable experience. We are also taking care of what we have by re-siding Edgewater Program Center.

Troop 80638
Samantha Jarvis

Samantha’s goal for the 2017 cookie season was 3,500 boxes. Though she did not quite meet her goal, she still ranked number one with a total of 3,035 boxes. Samantha was able to use the earnings from her sales to visit California, where she crossed the Golden Gate Bridge as part of her Bridging Ceremony to Seniors. She also attended a Destinations trip to Georgia. Samantha found success with persistence. Her advice is to ask everyone... more than once! She also encourages her fellow cookie sellers to not give up, just keep going.

Samantha set an even higher goal for 2018, and has already surpassed it with over 4,000 boxes sold.

Troop 60544
Olivia Johnson

Olivia surpassed her goal of 2,017 boxes, and was the 2nd highest seller! ‘Always be polite, and wear your uniform. It works almost every time.’ So notes Olivia Johnson of North Canton, who is at the top of her game when it comes to selling cookies. The troop is using their cookie profits to purchase and collect school supplies and craft materials to donate to children in need.
Since 1916, Girl Scouts have been making meaningful, sustainable change in their communities and around the world. The Girl Scout Gold Award, the highest honor a Girl Scout can earn, acknowledges the power behind each recipient’s dedication to not only empowering and bettering herself, but also to making the world a better place for others. These young women are courageous leaders and visionary change-makers. They are our future, and it looks bright!

60 Gold Award Girl Scouts were recognized for their accomplishments at a celebration event in June 2017.
At our annual Women of Distinction Awards Luncheon we honored 10 exceptional women and 3 high school Girl Scouts who have modeled the courage, confidence, and character that Girl Scouts embodies. The Advancing Women Award was presented to The Sherwin-Williams Company. The luncheon raised over $40,000 to support scholarships for Girl Scouts in Northeast Ohio.
Girl Scouts of North East Ohio gratefully acknowledges all donors who have invested in girls with their generous donations in 2016-17. Every effort has been made to ensure the accuracy of our donor list. If you notice an error, please contact the Fund Development department at 330-983-0430 or funddevelopment@gsneo.org.

Girl Scouts of North East Ohio has been partnering with the Cuyahoga Metropolitan Housing Authority (CMHA) to provide programming to girls in their communities for over a decade. There are currently nine troops who meet regularly, ranging from Daisies to Seniors, and are led by a combination of committed volunteers and staff. Girls are engaged in Girl Scouting year-round, earning badges and selling cookies to earn funds for their troop.

Thanks to generous funding from CMHA, we are able to offer opportunities to enhance their Girl Scout experience, such as fun activities throughout the year and service learning opportunities. This past year, several girls earned their Silver Award by building a Little Free Library for their community. We’re happy to report that 82% of girls who belong to these troops think it’s important to make a difference in their community, and we’re excited to see what they do in the future!

"I learned to never give up. I learned how stuff is hard, and to keep trying."  
"I learned to give to the people who really need it."
KeyBank was our 2017 Gold Award Ceremony presenting sponsor. With KeyBank’s support, on June 17, 2017, Gold Award honorees, their friends, family, and community leaders gathered to celebrate these bright young women and their accomplishments. The Girl Scout Gold Award is the highest honor a Girl Scout can earn. Girls who earn the Gold Award enter the military a rank higher, and are eligible to apply for special scholarships for higher education. School admissions staff and employers look for girls who have earned the Gold Award because they know those candidates are G.I.R.L.s: Go-Getters, Innovators, Risk-takers, Leaders! Thank you, KeyBank, for your generous support of our Gold Award Girl Scouts!

To all of our donors who designate all or a portion of their United Way gift to Girl Scouts of North East Ohio or contribute to their employer-sponsored workplace giving programs...

Thank you!
In March 1912, Juliette Gordon Low gathered just a few girls to begin the Girl Scouts. Juliette's outstanding leadership was matched by her stewardship when she converted the carriage house of her home into the first Girl Scout national headquarters, and she gifted the property to Girl Scouts in her will.

Juliette's bequest was the beginning of planned giving to Girl Scouts. In her memory, Girl Scouts of North East Ohio established the Juliette Low Legacy Society to thank and honor alumnae and friends of Girl Scouting who choose to make GSNEO part of their legacies and a beneficiary of their estate plans. To celebrate membership in the society, each member receives a special lapel pin.

The need for girls to become empowered is more important than ever before. Today, our Movement faces new competition but we know the strength and value of our mission. Girl Scouts provide a safe space for girls to try new things, develop a range of skills, take on leadership roles, work on badges and have fun. By joining the Juliette Low Legacy Society, you are ensuring the future of Girl Scouting in Northeast Ohio. Your gift can help countless girls realize their dreams and develop their full potential in their chosen fields. For more information about how to become a member of the Juliette Low Legacy Society, please contact Julie Weagraff, Director of Fund Development, at 330-983-0399 or jweagraff@gsneo.org.
Thank you for supporting Girl Scouts of North East Ohio

Believe in the power of
G.I.R.L.
Go-getter, Innovator, Risk-taker, Leader
