2018 Leaders of Tomorrow Scholarship Winners

Girl Scouts of North East Ohio established the Women of Distinction Awards Luncheon to raise funds for Girls Scout scholarships and financial aid while honoring women who go above and beyond to make our communities better places to live, work, and raise a family.

The honorees are selected for their remarkable achievements as business, community, and civic leaders dedicated to supporting opportunities for women and girls.

Also honored at the luncheon is an outstanding organization or company that has shown a strong commitment to advancing women in the workplace. Additionally, three girls are awarded the Leaders of Tomorrow scholarship for exemplifying the core values and mission of the Girl Scouts and for making significant difference in their communities.
