All Girl Scouts are invited to submit a design for this year’s Ohio State Fair patch. This competition is in honor of former Ohio State Fair Girl Scout Superintendent Blanche Snavely. The Girl Scouts Ohio State Fair Committee members will select the winning patch design and then reproduce and sell the patch in the Girl Scout exhibit area throughout the fair. The winning designer will receive admission to the fair and other prizes. Submission deadline is April 1.

WHAT GOES INTO THE PERFECT PATCH?

• Must include “Girl Scouts,” “Ohio State Fair” and the year.
• Design should fit into a three-inch circle or square.
• Choose one color for the background and no more than five colors for the design.
• Submit your design by April 1st.

Use of the Girl Scout emblem cannot be superimposed on anything due to Girl Scouts of the USA regulations.

Design the Girl Scout Float

We are looking for a creative Girl Scout troop to help design our parade float. The float represents Girl Scouts in the Ohio State Fair daily parade. Girl Scouts ride on the float during the parade. Winning designers will need to be available sometime during the weekend of July 25-26 to decorate the float at the fairgrounds. The winning troop will receive a cash prize of $100 and will have signage on the float recognizing the troop. Submission deadline is April 1.

UNLEASH YOUR CREATIVITY

• The float theme should represent an aspect of Girl Scouting (think camping, badges, cookies, etc.)
• Get creative with your materials — nothing of value should be used to make the float because valuable items cannot stay on it.
• Think in 3D. Items should be 3D to allow fairgoers to see as the parade passes by.
• The state fair committee can provide a list of supplies we currently have for use on the float design. Troop will be reimbursed up to $100 for supplies purchased. (Please save your receipts.)

Contact Mary Eader for the complete list of available supplies at meader522@att.net

A FLOAT THAT IS READY FOR ANYTHING

• Materials should be weatherproof — the float sits outside during the fair, so decorations need to withstand rain and wind!
• You have to include some form of seating and a handhold for each girl on the float (a picnic table is available for use).
• Girls must be able to get on and off the float quickly from the front.
• Use of the Girl Scout emblem cannot be superimposed on anything to Girl Scout of the USA regulations.

Float dimensions are:

• Top – 8 feet wide and 24 feet, 3 inches long.
• Sides – 22 inches high.
• Rear – 8 feet wide and 2 feet, 2 inches high. (Signage recognizing troop goes here.)
• Front – 8 feet wide and 2 feet, 2 inches high. (It is only 1 foot, 4 inches high over the hitch.)

The committee reserves the right to work with the troop to tweak the final design if needed. The winning troop will be given a cash prize of $100 and will have signage on the rear of the float recognizing their troop. Tickets will be provided for the troop members to attend the fair and ride the float in the daily parade.

Design your float on an 8.5 x 11 inch paper. Include necessary descriptions and attach all of it to this entry form!

Entries must be received by April 1

Refer to the fair book for more information on the daily parade.

Division 2710 – Talent Competition

Saturday, Aug. 1 from 10 a.m.-3 p.m. — Lausche Youth Center Stage

Come show off your talent at this year’s Talent Competition! This competition is open to all Daisy through Ambassador Girl Scouts with all talent, skill and interest levels. All performances must follow Girl Scout values. Ribbons, trophies or medals, cash prizes, and the Best Overall Award will be awarded to troops, groups and individual Girl Scouts. First place in each class is awarded $30 and a gold medal, second place will receive $20 and a silver medal, and third place will receive $10 and a bronze medal. All other participants will receive participation ribbons.

For more information, contact April Hawkins at osfgs.talent@yahoo.com or 216-538-6993.

The best overall recipients from each of the two girl levels will receive $50, a trophy and earn the honor of performing at the Girl Scout Awards program on Sunday, Aug. 9, 2020.

Rules and Regulations

1. **All routines must comply** with the Girl Scout values as stated in the Girl Scout Law and Girl Scout Promise. Failure to comply could result in disqualification or removal from competition, at the coordinator’s discretion.

2. Age appropriate routines, including music and dress, are required for all acts. Performers are strongly encouraged to wear Girl Scout attire or costumes. Performers are also responsible for providing their own music, accompaniment and props.

3. **Audio/Video accompaniment must be queued and/or labeled by performer prior to submission.**
   - CDs are strongly urged to be used for accompanying music.
   - CDs should be labeled with participant’s name and the name and number of the song to be used.
   - Any CDs not picked up by the end of closing day will be discarded
   - If you have audio accompaniment on a USB flash drive or phone, you may bring it as a backup, but with the sound system available, CDs are still the media strongly encouraged.

4. In following the values of Girl Scouting and promoting the growth of individuals and/or groups, there will no longer be any repetition of prior performances.

Examples of these include singing, dancing, or playing a song which you, as a previous Girl Scout Ohio State Fair Talent Competition performer, may have performed in previous years.

5. A printout or email of any verbal words spoken or sung (even as an accompaniment) during the performance, must be submitted to the talent competition coordinator along with the participation forms.

6. **All vocal category participants must** perform their songs to instrumental accompaniment only, if accompaniment is to be used in their performance. A karaoke version may be used as accompaniment **only** if it has extreme minimal vocal background accompaniment in the selection. This has been initiated at the request of our judges, as they are judging each performance based upon the participant’s performance and skills, not based upon the vocal accompaniment for which the participant has selected. Failure to comply with this will result in 10 points deducted from the technique score.

7. **Participation is limited to one individual act and one group act for a total of two acts.** However, participants may not enter the same category twice. For example, participants may not sing a song as a solo and also perform one as part of a group. This is considered competing against one’s self.

8. Each individual, or group, performing will have a time limit of up to five minutes maximum on stage. This time...
includes costume, scene or equipment change. Any performance that goes over the time limit will have five points per minute, or any part of a minute, deducted from their presentation score.

9. **Troop leaders and parents will not be allowed to accompany participants in any way while they are on stage or backstage, before and during the performance.** One verbal warning will be issued, subsequent occurrences may result in deduction of five presentation points and or disqualification. Any assistance needed will be provided by a member of the Girl Scout Ohio State Fair Committee.

10. Due to fire/building codes, performers are not allowed to rehearse, block, or in any way impede aisle ways, exit doors, or access to or from restrooms. Failure to comply will result in disqualification.

11. Talent participants will be placed in one of two age level divisions and judged accordingly. The age categories are Daisy through Junior and Cadette through Ambassador. In the event of mixed age groups, the group will be placed in the higher age category.

12. Performances will be judged in one of six categories: **dance, instrumental, miscellaneous, twirling, vocal, and weird/unusual talent.** Each category/division will be judged on its own merits. After all acts have performed, the judges will then determine Best Overall Performance Award winners per age category. The Best Overall Performance Award winners will be presented to the individual or group, from each of the age categories, with the Best Overall Performance of the first-place winners from each division.

13. Placement is determined by judges. In the event of a tie, the performer with the highest score in the technique category will be awarded the place in which there was a tie.

14. There are two separate times for the Talent Competition. The younger division (Daisy through Junior) will perform first from approximately 10-11:45 a.m. followed by the awards ceremony. All younger division participants must check in at the booth by 9:30 a.m. for seating assignments.

The older division (Cadette through Ambassador) will perform from approximately 1-2:45 p.m. followed by the awards ceremony. **If any entrants do not show, there may be a change in the order of the program, so be prepared!** The lunch break will occur between the two separate performance times. All performers are asked to remain in the assigned seats during the competition; thereby; showing respect and support for all the performers during the competition.

15. Performers will be given the opportunity to rehearse their act(s) **on stage only prior to the competition. Rehearsals performed within the building after the start of the competition may result in disqualification. Due to the number of acts anticipated, rehearsal times will be limited to two minutes per group.** If you feel that you could use this time to polish your act, or to work out any rough spots in your performance, please check in at the Girl Scout booth by 8 a.m. Rehearsal times will be issued on a first come, first served basis and will stop at 9:30 a.m. to allow all participants time to make final preparations for the Talent Competition.

Rehearsals for the older division will begin at noon or whenever the younger division program is complete and will stop at 12:45 p.m. to allow all participants time to make final preparations for the Talent Competition. If you choose not to rehearse, please check in at the Girl Scout booth no later than 9:30 a.m. and 12:30 p.m. respectively. **All performances will be pre-assigned, and you will be given your order of performance upon check-in.**

16. **If, for any reason, a registered performer is unable to attend on the date of the event, please contact the Talent Competition Coordinator prior to Saturday, Aug. 1, at 216-538-6993, or contact the Girl Scouts Ohio State Fair Exhibit office at 614-644-4526.**

17. All performers that place will receive their medallions on the day of the Talent Competition. All other performers will receive a participation ribbon. The two Best Overall Performance Award winners will be asked to perform during the awards ceremony on Aug. 9 at 2 p.m.
Rules and Regulations Con’t.

The ratio of tickets for adults to girls is one adult ticket for one girl, two adult tickets for 2-10 girls (two adult tickets for two to six Daisies), three adult tickets for 11-15 girls (three adult tickets for 7-10 Daisies), and four adult tickets for 16-20 girls (four adult tickets for 11-15 Daisies). All tickets will be issued based on Girl Scout adult-to-girl ratio guidelines.

19. Use of cameras and camcorders will be permitted during the Talent Competition. A release statement is included on the special events entry form.

20. A copy of these rules will be posted outside of the stage entrance.

If you have any questions, please contact April Hawkins (Talent Competition coordinator) at 216-538-6993 as soon as possible. Do not wait until the day of the Talent Competition. Please feel free to share this information with anyone you think might be interested in participating in the Talent Competition.

It will be held on the stage located in the Lausche Youth Center. Flag teams will be placed in one of two age level competitions and judged appropriately. One competition will be for girls in kindergarten through fifth grade. The second competition will be for girls in the sixth through 12th grades. In the event of mixed age groups, the group will be placed in the category of the oldest girl in the group. Teams will be competing for first place ($300 and gold medals), and second place ($200 and silver medals), and third place ($150 and bronze medals). All teams participating will receive ribbons.

Class 91. Flag Ceremony Competition – Daisy to Junior
First place - $300 and a gold medal for each participant
Second place - $200 and a silver medal for each participant
Third place - $150 and a bronze medal for each participant

Class 92. Flag Ceremony Competition – Cadette to Ambassador
First place - $300 and a gold medal for each participant
Second place - $200 and a silver medal for each participant
Third place - $150 and a bronze medal for each participant

- The performance area is a raised stage. Performing team can enter and exit the performing area at points A and B. See Diagram.
- There will be two microphones and a podium available in the performance area.
- The following flags, on poles and standards, will be provided:
  - American.
  - State of Ohio.
  - Girl Scout.
  - Brownie.
  - Daisy.
  You may choose to use your own troop flag

- The performing team can consist of up to a maximum of 13 girls, who will participate in both the traditional and creative ceremonies.
  - For the traditional ceremony, the performing team can consist of a maximum of five flag bearers, five honor guards, and one caller, plus two alternates. Alternates can replace any team member.
  - For the creative ceremony, the performing team can consist of a maximum of 13 girls with no defined position.
2. Each performing team will present two flag ceremonies.
   • The traditional ceremony shall be within a five minute maximum. The creative ceremony shall be within a seven-minute maximum. If a group goes over their allotted time on a ceremony, they will be given zero points for that ceremony. The starting time will be the caller's first words; the ending time will be when the last member of the performing team leaves the performing area. A Girl Scout committee member will be designated as the official timer.
   • The first flag ceremony will be the traditional indoor flag ceremony for use at the Ohio State Fair Girl Scout Flag Ceremony Competition. It is found attached to the rules. Use of props, music, poems or readings in this ceremony is not allowed. Troops doing so will get zero points for that ceremony.
   • The second flag ceremony will be the creative flag ceremony. This will provide an opportunity for the girls to be creative and still show respect to the flag. Special attention should be given to the fact that this is a “ceremony” rather than a flag “performance.” Set up time for this ceremony must be kept to a minimum. You must use at least one flag. This flag does not have to be the U.S. flag, but if not using the U.S. flag, it must be a state of Ohio, Girl Scout, World Association, Brownie or Daisy flag. You may also use your own troop flag. No open flames per the Ohio State Fire Marshal’s Office. (Example: Candles must use foil as flames, flashlights, etc.) Music, readings, poems and props are allowed in the creative ceremony.

3. The performing team in the Ohio State Fair Girl Scout Flag Ceremony Competition is expected to be uniformly dressed. (For example: Girl Scout uniforms in different levels if mixed age group, camp shirts, or troop shirts. Shoes, shorts, headbands, etc. should be uniform, at least in color.)

4. The following is a list of the judging elements:
   • Precision: Turns, salutes, response to calls, walk/march, posture and timing.
   • Appearance: Uniformly dressed, proper Girl Scout attire, neat and clean from head to toe, and demeanor.
   • Accuracy: Correct placement of flags in performing area, correct carrying positions and presentation of colors. Caller: loud and clear, use of Girl Scout Promise, Pledge of Allegiance and proper flag etiquette
   • Originality: Advance of color guard, retreat of color guard, respect to flag and country (Optional use of music in Creative Ceremony only, relationship of music choice to ceremony).

5. Judges may request performing team to return to the performing area to “stand for inspection.”

6. All performing teams participating in the Ohio State Fair Girl Scout Flag Ceremony Competition will be expected to participate in the daily parade on the day of the competition if the competition finishes on time to do this. The parade is held at 4 p.m. Judges comment sheets will be available for the troops from 6:30-8 p.m.

7. For questions regarding the Flag Ceremony Competition, contact Louise Lortz at 419-294-4812. To register your troop in the competition, please complete the Ohio State Fair Committee 2020 Ohio State Fair Entry Form for Special Events (Division 2700 and 2720 - 2770) and check the Flag Ceremony Competition. Return the form by Saturday, July 18, 2020 to Girl Scouts Ohio State Fair Committee, P. O. Box 605608, Cleveland, OH 44105. Upon receipt of your intention to participate in the Ohio State Fair Girl Scout Flag Ceremony Competition, one ticket of admission to the Ohio State Fair will be sent. This ticket will allow one adult to enter the fairgrounds, go to the Girl Scout exhibit area in the Lausche Youth Center and receive additional entry tickets. Your performing team will receive tickets to admit a maximum of 13 girls and one to two additional adults, depending on number of girls participating. Park in the Ohio State Fair North parking lot, approximately $5 per car.

8. Each girl on the winning teams will receive medals the day of the flag competition. First place will receive gold, second place will receive silver and third place will receive bronze. Winning troops will also receive monetary awards the day of the competition of $300 for first place, $200 for second place and $150 for third place.

9. The first-place team in each competition will win the honor of presenting their flag ceremony at the Girl Scout Awards Program on Sunday, Aug. 9 in the Lausche Youth Center.
Flag Ceremony Competition Guidelines

Due to conflicting interpretations on ways the flag should be presented, the Ohio State Fair Committee has come up with guidelines for the Ohio State Fair Flag Ceremony Competition.

1. When you fly the American flag in the United States, you always give it the position of honor. You put it either to the right of other flags, in front of other flags or higher than other flags.
2. Right means “the flag’s own right.” Imagine that you are holding the flag in front of you. Stand so you are all facing the people who will see it. With the flag in that position, your right is “the flag’s own right.”
3. The color guard may wear red sashes. A sash is a strip of material 4 to 6 inches wide and approximately 60 inches long. If the sash is used, it goes over the bearer’s right shoulder and is tied with a square knot at the waist under the left arm. The color guards’ sashes are tied around the waist in a square knot on the left side. Red sashes are optional.
4. Remember the American flag must always be higher than any other flag; therefore it must always be posted last and retrieved first.
5. Proper Girl Scout attire may be the official Girl Scout uniform, Girl Scout camp/day camp uniform, or troop shirt. (Track shorts are forbidden!) Shoes, shorts, etc. should at least be uniform in color.
6. The flag is carried directly in front of the body with the left hand on the heel (bottom) of the staff and the weight of the flag supported by the right hand. The eagle on the staff of the American flag always faces forward.
7. In the Creative Ceremony, troops must use at least one flag. This flag does not have to be the U.S. flag, but must be either an American, State of Ohio, Girl Scout, World Association, Brownie, Daisy or your own troop flag.
8. Because most Daisies cannot read, an adult can be the caller for a Daisy troop. All levels above Daisies must have a girl caller. To make scoring fair to Brownie and Junior troops, adults will start at 0 points in both ceremonies in the caller category. Girl callers will start at three points.

Traditional Flag Ceremony

The following format must be followed. You may add additional calls. You cannot add music, readings, poems or props. Troops doing so will get zero points for this ceremony. It must be under five minutes.

1. The caller says: “Will the audience please rise.”
2. The caller says: “Color guard Attention.” The performing team is in position. All stand at attention. (Arms by their sides and fingers pointed to the ground).
3. The caller says: “Color guard, advance.” This signals the performing team to advance the flags.
4. The performing team walks, carrying the flags, and stops in front of the standards.
5. The caller says: “Color guard, post the colors.” This signals the color bearers to place the flags in their stands. Color guards remain at attention next to the flags.
6. The caller says: “Girl Scouts, honor the flag of our country.” The performing team salutes the American flag using hand-over heart-salute.
7. The caller says: “Girl Scouts join me in the Pledge of Allegiance.” (After which she begins the pledge for the audience. The remaining performing team stands at attention and silent.)
8. The caller says: “Girl Scouts, join me in the Girl Scout Promise.” (After which she begins the Promise for the audience. The remaining performing team stands at attention and silent.)
9. The caller says: “Color guard, retire the colors.” This signals the performing team to remove the flags from their standards and exit the stage.

COOKIE SELLING OPPORTUNITIES

Troops and groups may sign up to sell cookies in the Girl Scout exhibit area.

**Daily: Wednesday, July 29-Saturday, Aug. 8**

**Shifts run from:**
- 8:30-10:30 a.m.
- 10:30 a.m.-12:30 p.m.
- 12:30-2:30 p.m.
- 2:30-4:30 p.m.
- 4:30-6:30 p.m.

*Additional evening shifts available at Cardinal Gate. State Fair Committee will supply the Girl Scout Cookies, table and change box with change.*

Only troops may register to sell cookies.

Troop must have leader/registered adult and at least two girls but no more than four girls present at the table to share in cookie profits. Troops with more than four girls should split their group and divide the selling period(s). You must follow Girl Scout girl to adult ratios during travel to the fair.

A responsible registered adult Girl Scout must be in attendance at all times when girls are selling. If the adult needs to leave the table, she or he should arrange for coverage by a GSOSF committee member.

Troops may register for multiple selling periods but must rank requested day and time slots in order of preference: first choice, second choice, etc. In the event of conflicts, troops traveling more than 30 miles to the fair may be given preference. GSOSF committee will attempt to schedule all first or second choices before troops with third and fourth preferences are scheduled.

Troop reservations must be submitted by opening day of the fair. Late registrations may be accepted for open time slots on a first come, first served basis. Troops may sell multiple times in the booth. However, a troop scheduled to sell for a third or fourth time can be bumped in favor of troop selling for the first time. No time slots are available on the last day of the fair.

Troops may register to assist with outside sales at the Cardinal Gate from approximately 7:30-9:30 p.m. GSOSF committee will set up a table and move cookies by golf cart to the gate area. The committee has a tent canopy and sales may proceed despite inclement weather. Troops that sell cookies at the fair will receive a check in the fall representing a share of the cookie profits. Base amount will be determined by the GSOSF committee chairs depending on number of total cookies sold during the fair and committee budget. Troops selling one time receive the base amount.

Troops selling more than one time will receive the base amount multiplied by the number of times the troop sold. For instance, if base amount is X, then troop selling twice will receive 2X and troop selling four times will receive 4X. No additional payment will be offered if a troop sells more than four times.

*If interested in cookie selling, complete the registration form on next page.*

GIRL VOLUNTEER OPPORTUNITIES

Ohio State Fair Girl Scout Fair Aides

Girls who are completing ninth grade and older are eligible to apply to be fair aides. Aides arrive at the fairgrounds the evening before entries are accepted and stay through the first day of the fair. They assist with taking in and judging entries, arranging and preparing the Girl Scout exhibit area (including some cleaning), promoting Girl Scouts, hosting SWAPS day and other duties as requested by the committee. On the last day of the fair, aides also participate in the Awards Ceremony. Girls can count hours worked toward leadership or service hours. See complete description and application form later in these materials. To apply please complete the application on page 46 of this guide.

Purpose of job:
To work with Girl Scouts Ohio State Fair Committee members and superintendents to present the Girl Scouts exhibit at the Ohio State Fair.

Qualifications and accountability:
Aides are selected by the members of the Girl Scouts Ohio State Fair Committee from applications received. Aides must be registered Girl Scouts, have completed at least the ninth grade by the time of the fair and must enter at least one item for display and judging in the Girl Scout Division of the Ohio State Fair. Aides are responsible to and are supervised by volunteer/fair aide committee chairs.

Term:
Aides are selected for one fair. They may reapply for subsequent fairs. Aides need to make a five-day commitment prior to the opening of the Ohio State Fair and if possible, a three to five-day commitment to assist in the Girl Scout booth during the fair. For 2020, fair aides will arrive Friday evening, July 24 for pre-fair activities and stay through the opening day of the fair, Wednesday, July 29. Girls are also asked to return to assist with the Awards Program and exhibit tear down on Sunday, Aug. 9. The 2020 Ohio State Fair runs from July 29 to Aug. 9.

Duties:
Duties include cleaning the display area, assisting with entries and judging, arranging the entries for display, participating in the Awards Ceremony, promoting Girl Scouting and other duties as requested by the committee chairs.

Dress requirements:
Aides will be required to wear the Ohio State Fair Girl Scout uniform in the booth on Saturday, Sunday and Wednesday. The uniform consists of an Ohio State Fair Girl Scout T-shirt and khaki, dark blue or black colored pants, shorts, skirt or capris. The Ohio State Fair Girl Scout Committee will provide each fair aide with one T-shirt and additional shirts may be purchased.

Financial obligations:
The Ohio State Fair houses the fair aides during their stay at the fair with no cost to the girl. Meals are either provided via the Rhodes Center Cafeteria or will be provided by the OSF Girl Scout Committee. Girls are taken off grounds for some meals and activities. The committee determines an amount that they will spend for girls’ meals and it has always been adequate. Activities are determined by a vote of the girls. Activities are paid for by the committee unless shopping is selected. In that case, each girl will be responsible for what she spends.

Selecting a Junior Fair Board Member:
The Ohio State Fair Girl Scout Committee through application selects one fair aide to serve as a member of the Ohio State Fair Junior Fair Board each year. To be eligible to apply, a girl must be at least 16 years of age and have exhibited in the Girl Scout Division of the Ohio State Fair while serving as an aide. At the conclusion of serving as a member of the Ohio State Fair Junior Fair Board representing Girl Scouts, the girl will receive a $500 honorarium to use for postsecondary education. A second honorarium will be awarded the next year provided the girl continues to be enrolled in post-secondary education.

Recognition for girls serving four years as a fair aide:
At the conclusion of serving as a fair aide for four years, girls who were not selected as a Junior Fair Board member, are eligible to receive a $250 scholarship for post-secondary education. If a girl is later selected as a Junior Fair Board member, the stipends are capped at a total of $1,000.

Ohio State Fair Girl Scout Fair Aide in Training

**Purpose of job:**
To work with Girl Scouts Ohio State Fair Committee members and committee chairs to present Girl Scouts activities at the Ohio State Fair.

**Qualifications and accountability:**
Aides in training are selected by the members of the Girl Scouts Ohio State Fair Committee from applications received. Aides in training must be registered Girl Scouts, have completed the sixth grade to the eighth grade by the time of the fair and must enter at least one project for display and judging in the Girl Scout Division of the Ohio State Fair. Aides in training are responsible to and are supervised by volunteer/fair aide committee chair.

**Term:**
Aides in training are selected for one fair. They may reapply for subsequent fairs. Aides in training need to attend a training on Entry Day and then commit to spending at least two days in the Girl Scout booth during the fair. For 2020, training will take place on Saturday, July 25 starting at 3 p.m. and anticipate it will last about an hour. The committee chairs for volunteers and fair aides will work with individual girls to schedule their days in the booth between Thursday, July 30 and Saturday, Aug. 8.

**Duties:**
Duties include cleaning the display area, staffing activity tables during special days, selling Girl Scout cookies, promoting Girl Scouting and other duties as requested by the superintendents.

**Dress requirements:**
Aides in training will be required to wear the Ohio State Fair Girl Scout uniform when working in the Girl Scout booth. The uniform consists of an Ohio State Fair Girl Scout T-shirt and khaki, dark blue or black colored pants, shorts, skirt or capris. The Ohio State Fair Girl Scout Committee will provide each fair aide in training with one T-shirt and additional shirts may be purchased.

**Financial obligations:**
The Ohio State Fair houses the fair aides in training during their stay at the fair with no cost to the girl. Meals are provided via the Rhodes Center Cafeteria. We will try to schedule girls for consecutive days so parents will not have to transport back and forth between their time commitments.

REGISTER FOR OHIO STATE FAIR DORMITORY

1. Spaces in the Ohio State Fair Dormitory in the Rhodes Building are limited to those participating in a Girl Scout activity at the Ohio State Fair either early in the morning or late in the evening where travel before or after the event would be difficult. The facility is used by all youth groups exhibiting at the fair and we need to respectfully share this facility.

2. Those from Franklin County and adjoining counties are not permitted to stay in the dorm unless serving as a fair aide where supervision is handled by the Girl Scouts Ohio State Fair Committee.

3. Each person planning to stay in the Rhodes Center Dormitory must submit a Dormitory Reservation by June 20 so the chair responsible for volunteers has time to process and send to the Junior Fair Office. Submit forms to Sharla House, 141 Sierra Dr., Gahanna, OH 43230 or sharla.house@gmail.com.

4. The form must be completely filled out. Parents, not the troop leader, must fill out the form for their daughter. Parents must submit a copy of a medical insurance card.

Forms with incomplete or missing information will not be processed. You will not be allowed to stay in the dorm and your reservation will not be placed.

5. Although it is expected that troop leaders will maintain appropriate health forms for their participants, the Medical Emergency Consent or Non-Consent section must be completed. The Ohio State Fair Dormitory Supervisors maintain this information in the event of an emergency.

6. Any person 18 years of age or older, who is staying in the dormitory, is required to submit an Ohio Expositions Commission Contractor – Volunteer – Dorm Resident Consent for Criminal Check. This form must be completely filled out and returned with the Dormitory Reservation Form by June 20. The consent for criminal background check and dormitory reservation form must be submitted together.

7. The women’s section of the dormitory is on the second floor. Individuals should pack their belongings so they can easily carry their items up the flight of steps. There is not an elevator in the building. No food is allowed in the sleeping area.

8. For those who have not stayed in the dorm previously, the room is set up like a barracks with a row of bunk beds on each side of the room. Restroom facilities are down the hall and shared with another room across the hallway. A single mattress is provided for each resident. Mattresses may not be moved from other beds. In addition, residents are required to cover the mattress with a sheet first, then additional sheets or a sleeping bag may be used on top of the covered mattress.

9. Everyone must be in the dorm by 11 p.m. with lights out at 11:30 p.m. Entrance doors are locked at 11 p.m.

10. Troops are not permitted to stay just for the opportunity of staying in the dorm. You must be participating in a Girl Scout activity at the Ohio State Fair to be permitted to stay in the dormitory.

If interested in staying in dorm, complete dorm reservation and background check forms on next three pages.

DORMITORY AGREEMENT

As a resident of the Ohio State Junior Fair Dormitory:

1) I will behave in a responsible manner, which is a credit to my parents and me.

2) I agree to bring my own sheets, pillows, battery operated alarm clock, (if needed), etc., and understand that a sheet must cover my bunk per health codes.

3) I understand that after check-in, visitors, including my family, are not permitted in the dorms. I will arrange to meet with my family and friends in the lobby or outside the building.

4) I will keep my bunk neat, stowing my suitcase on my bunk during the day and under my bunk at night.

5) I understand curfew is at 11:00 p.m. and agree to be in the dormitory room on time.

6) I will respect others staying in the dorms wishing to retire early or sleep in later than I. I will speak softly and will walk quietly while in the dormitory, hallways, restroom and stairways.

7) I understand that the Ohio State Fair cannot be responsible for loss or damage to my personal belongings. OEC urges residents to leave valuables at home, and to use traveler's checks when possible.

8) I agree not to smoke (or chew tobacco) in the Rhodes Center (or in any building on grounds).

16) I will refrain from opening windows and leaving doors open, including the restroom windows and doors. This will help prevent the air conditioning system from "freezing up".

17) I understand that if I am under the age of 18 that once I have checked into the dormitory I will not be able to check myself out until my scheduled departure date, and that if I would need/want to depart before then, my parent/guardian must meet with the dormitory supervisor and personally sign me out.

18) I understand the Ohio Expositions Commission & its representatives reserve the right to expel any exhibitor/participant that fails to abide by the rules. Expulsion may be imposed day or night and it will be the responsibility of the exhibitor/participant’s parent/guardian to immediately make travel arrangements at their own expense.
