Here are 4 easy steps to jump into the fun, and slay those cookie sale goals like a true cookie boss!

1. Register
To sign up to use the Digital Cookie™ platform, just keep an eye out for a registration email coming to you a few weeks before cookie season starts.

2. Set Up Your Site
In just a few minutes, you can set up your sale goal, share your cookie story, and upload a fun picture or video. Then you’re ready to save, review, publish, and...done!

3. Invite Customers
Manage your cookie customer list and easily send ready-to-use emails inviting people to support your sale. You can also promote your personalized cookie site link on Facebook with friends and family.

4. Track Your Goal
See how close you are to reaching your goal by tracking the number of boxes sold and orders placed, as well as sales by delivery type and cookie variety. You can even include offline sales to see your total progress—yum!
