Welcome to Girl Scouts of North East Ohio’s 2023 Summer Camp Guide! We’re so excited for another great season of Girl Scout camp. Whether your girl is returning to camp for her fourth summer or she’s joining us for her very first camp experience, we are ready to provide the very best memories camp has to offer!

At Girl Scout camp, your girl will discover how capable she is as she builds comfort in the outdoors, begins to take the lead, and tries new things in an environment where it’s safe to fail and try again. And as your camper learns about herself, she’ll learn about others, too – making new friends and building a community unique to camp. Together, they’ll tell stories around the campfire, share about their lives, and sing songs. They’ll disconnect from that ever-present screen and reconnect with the real world as they play, laugh, and grow, face-to-face. Along the way, whether tackling a team-building activity or learning to paddle a canoe, they’ll gain valuable leadership, social, and life skills to use at home, at school, and throughout their lives.

An important part of your camper’s community is our skilled and qualified camp staff! These caring adults remain cheerful on rainy days, help your camper make friends, encourage her to drink enough water, keep her safe, teach her silly songs, and make sure every day is full of adventure and camp magic.

We regularly review guidance from the American Camp Association (ACA), the State of Ohio, and local health departments to create an operating plan for the safest experience for your camper. We are proud that our camps offer a safe space where girls can be themselves, interact with girls (and adults) from different backgrounds, and develop outdoor skills! We are committed to providing a safe, enjoyable experience, no matter what adventure she chooses.

Our 2023 summer camps meet girls where they are, with tons of programming options to choose from.

As you flip through the pages of our Camp Guide, know that there are wonderful experiences waiting for every girl, and we’re ready to help your girl create memories that will last a lifetime.

Natalie ‘Disney’ Lane
Camp Ledgewood Director

There’s no place like camp! Natalie became a Girl Scout in first grade and is now a member for life. She started going to Girl Scout camp in North Carolina and quickly realized it was the place for her. Natalie loved being outdoors, learning how to care for the environment, building a campfire, and singing Girl Scout songs! She completed the CIT program at Camp Ginger Cascades in North Carolina and spent six summers working first as a counselor, then Program/Waterfront Director, and finally Assistant Camp Director. Natalie graduated with a Bachelor of Science in Recreation Management and loves to focus on STEM programming and outdoor education. She believes that Girl Scouts provides an avenue to recreating in the outdoors like no other program, and that doing so teaches girls to be confident, and to act with character and courage. Natalie loves to hike, hammock, and reenact scenes and songs from Disney movies. She can’t wait to see you at camp!

Beth ‘Dew Drop’ Stokley
Camp Timberlane Director

Beth attributes her life filled with adventures and exploring to Girl Scouts. She is passionate about exploring the natural world, particularly with children. As a result, she has worked in several states as an Outdoor Instructor, leading children’s excursions through State and National Parks, and encouraging them to explore and engage with their surroundings. Her love of the outdoors can be traced to her home camp as a Girl Scout, Camp Timberlane, where she has fond memories of service unit camp outs and summer camp over nights. She started working at Camp Timberlane as a Kitchen Aid and worked her way up to Camp Director. Beth attended Wright State University, where she earned a Bachelor of Science in Earth and Environmental Science. She wholeheartedly believes Girl Scout camp is a special place where girls can try new things and be silly, while learning about themselves and the world around them. She’s looking forward to seeing you all at camp and on the trails this summer!
Want a sneak peek of camp?

Registration

Registration opens on February 1, 2023, at 6:00am. Programs are filled on a first-registered, first-served basis. The online system indicates program capacity and remaining spaces available as well as a waitlist. Choose the ‘Events’ tab to find a program. Girl programs are searchable by name, program level, and date. First time visitors to GSNEO’s online registration must become a registered user by creating a profile and password when prompted during the registration process. Once you complete this step, your information will be stored and available for future registrations. Choose your program, add girl and adult participants, then proceed through payment options. Be sure to complete your order. You’ll receive an email registration confirmation. Programs may be canceled if the minimum number of participants is not met.

Payment

Full payment is due at the time of registration for all Summer Camp programs, except for Resident Camp, CORE Camp, and Week-Long Day Camp at Camp Ledgewood. Resident Camp and Week-Long Day Camp at Camp Ledgewood require a nonrefundable deposit of $75 per participant to secure space in each session requested, with the remaining balance due no later than thirty (30) days prior to program start date. Payments and deposits may be made by credit card, debit card, or Pathway Passes. CORE Camp requires a deposit of $40 per participant with the remaining balance due no later than thirty (30) days prior to program start date. Payments and deposits may be made by credit card, debit card, or Pathway Passes.

Pathway Passes

Pathway Passes are rewards earned by girls through participation in council-sponsored product sales programs and other activities. Codes for earned passes are delivered electronically. Detailed information about retrieving Pathway Pass codes is available at gsneo.org. Pathway Passes are not applied to the initial deposit. If there is a remaining balance above the initial deposit due after passes have been added, a nonrefundable deposit must be paid at the time the order is placed. Additional spending money may be required for some camp sessions. This is noted with a ‘$$’.

Refunds & Rescheduling

To reschedule or cancel your camp registration, contact the registration department via email at customercare@gsneo.org. Please include your registration number and we'll do our best to help you reschedule. It's best to make changes to your camp registration as far in advance as possible. We may not be able to accommodate changes that occur within two weeks of your camp session. Please note, there is a $25 administration fee to change resident camp sessions. Participants who request a refund 45 days or more before a camp session will receive a refund. Deposits made on resident camp sessions are nonrefundable. Refunds are not given within 45 days of a program, or if a member doesn't attend the event. Prorated refunds are not given if a member doesn't attend the full program. In some cases, a partial refund may be granted for family or medical emergencies; however, notification must be given before the event and followed up with a written request within two weeks. Occasionally, GSNEO must change or cancel a program. If this happens, we'll notify you as soon as possible and provide either a full refund of the camp reservation fee or placement into an alternate session.

Membership

All girls participating in Summer Camp Programs must be a registered Girl Scout. Any adult spending the night for a family or troop program must be a registered Girl Scout and have an approved background check. To complete a membership registration visit gsneo.org/join.

Waitlists

Being placed on a waitlist does not guarantee placement into the program. Waitlists are dependent on cancellations being received. If you are removed from the waitlist and placed into a camp, you will receive an email notification with links to make payment. Notifications will come from noreply@doubleknot.com. Please check spam/junk folders and mark this as a safe sender.

Summer Camp FAQ
to Cookie Program Pathway Passes being issued are not eligible for reimbursement. Pathway Passes may be applied to outstanding resident camp balances after the initial order has been placed.

**Scoutship**

Families that have a financial need may apply once per year, per girl for Scoutship assistance. Limited funds are available to support participation in council-sponsored programs and events. To apply, complete the Scoutship application and submit the request. Scoutship candidates must be in good financial standing with GSNEO and GSUSA, and current registered members. Scoutship requests are limited to one (1) summer camp program, which exceeds $100 in cost per girl, per registration, and is subject to availability of funds. For more information on GSNEO Scoutship, visit gsneo.org and use search word: SCOUTSHIP.

**Camp Buddies**

We know that it’s important for some girls to attend camp with a friend! GSNEO will do our best to accommodate all requests for girls to attend Summer Camp programs with their designated buddy. When registering, EACH girl must list her buddy in the designated area in the registration system. Buddies must be registered for the same camp session of appropriate age level for both girls. Only one buddy request will be accepted for each program registration.

**Camp Staff**

Our dedicated camp staff is on-site to guide each girl’s camp experience. A diverse staff is recruited locally, nationally, and internationally. All staff are screened, receive background checks, and are at least 18 years old. Younger staff members, ages 16-17, are considered junior staff and are supervised at all times. All camp staff are trained in safety and security, emergency procedures, programmatic elements, and are First Aid and CPR Certified. Emergency care is handled by local emergency responders or hospital emergency rooms, when necessary.

**Special Needs**

GSNEO strives to make reasonable accommodations for girls with special needs and/or dietary restrictions. Due to rugged terrain, some areas of camp might not be accessible. Please contact the Manager, Outdoor Girl Experience at 330-983-0437 or email ddefiore@gsneo.org no later than 2 weeks in advance to determine what is available to make your girl's camp experience safe, fulfilling, and rewarding.

CORE Camp is a great opportunity for troops to camp for a weekend while the resident camp staff is there to provide programming and support. This is a perfect weekend for new troop leaders, a troop’s first campout, or any troop that just wants to have a fun and relaxing weekend! Throughout the weekend, camp staff will provide activities for troops that require specialized training such as swimming in the pool, boating, the low ropes challenge course, and archery. Crafts, hiking, and a campfire with songs will also be available! More detailed information will accompany your registration confirmation packet. GSNEO supplies all materials, meals, snacks, and trained staff.

Each troop must provide a currently certified First Aid/CPR trained adult. Troops are required to meet adult to girl ratio according to GSUSA policy.

Troops may only bring the amount of adults required by ratio plus one additional adult.

- **Brownie ratio** - 2 adults: 12 girls, plus one additional adult per 6 girls.
- **Junior ratio** - 2 adults: 16 girls, plus one additional adult per 8 girls.
- **Cadette ratio** - 2 adults: 20 girls, plus one additional adult per 10 girls.
- **Senior/Ambassador ratio** - 2 adults: 24 girls, plus one additional adult per 12 girls.

All girls and adults attending must be GSUSA registered members and all adults attending must be GSNEO approved volunteers who have completed an adult membership registration including a background check from GSNEO.

Space availability may require troops to share a site with another troop.

**Note:** Daisies are not permitted to attend CORE Camp. Some activities are subject to age requirements. This program requires a troop to consist of at least two (2) adults and three (3) girls in order to register.

**Required:** An Outdoor Essentials (OE) trained adult must attend with your troop. If you do not have an adult with OE training in your troop, you must assign one adult attending camp to take an online CORE Camp specific outdoor training no later than two (2) weeks prior to attending CORE Camp. More information will be included in your registration confirmation email.

The volunteer directors and camp team are trained to provide safe, age-appropriate activities tied together with a common theme. All currently registered girl members are eligible to attend and may register for one or more camps. Girl Scout Daisies (that have completed kindergarten) through Girl Scout Cadettes are eligible to attend as campers. Cadettes (entering the eighth grade) through Ambassadors that have completed the Program Aide training have opportunities to assist as Program Aides.

Our camp store, called the Trading Post, is one of the highlights of camp! Girls look forward to purchasing keepsake camp items.

**What is the purpose of the Trading Post?**

The Trading Post is offered to your camper to enhance her camp experience by providing merchandise to create lasting memories of her time at Girl Scout camp.

**When will my camper visit the Trading Post?**

The Trading Post will be open one day for Resident Camp and Core camp. Camp Timberlane will be open on Tuesdays and the Trading Post at Camp Ledgewood will be open on Wednesdays, unless it is a short week, then we will be open on Tuesday. Additional hours will be posted when possible.

Resident campers and family camp programs will be offered time with their camp group to visit the Trading Post.

**How will my camper pay for Trading Post merchandise?**

At camp check-in, caregivers can create a cash account for their camper with camp staff. A pre-marked envelope will be provided to the caregiver to put your camper’s money in. This envelope is then held at the camp office until their scheduled Trading Post visit. Any leftover money will be sent home with the camper at check-out.

**What is normally spent by a camper at the Trading Post?**

A camper spends about $15-$35 per week. But the average amount given to a camper for their Trading Post is $25.

**Is Trading Post money required?**

No, it is not mandatory. Notably, we do find that the girls love to be able to purchase a keepsake from the Trading Post.
You’re a force of nature.
