Introduce yourself

Read over the volunteer roles and think:
  *What are your strengths and interests?*

Select a card with the volunteer role you wish to have.

Have a conversation with others at your table about the different roles, and discuss alternate roles until there are TWO direct primary volunteer roles filled (purple). One of those should be the Troop Admin.

Write down your first and last name and the volunteer role you’ve selected on the newsprint or blank troop roster provided.

Note: You only need to choose one volunteer role, although you may serve the troop in more than one way. For example, the Troop Treasurer is welcome to chaperone a field trip, but you should only register as the Troop Treasurer.

Build the framework of your troop
- What day of the week will your troop meet?
- How often will your troop meet?
- Where will the troop meet?
  (Does anyone have ideas or a connection for a meeting space?)

Become a member of Girl Scouts.
- Use your phone, a laptop or a tablet to complete the online membership registration for you and your daughter.
