Notice: Our training modules are constructed with a computerized voice. While we understand that a human voice would be preferable, the computerized voice keeps this service free, allows us to keep information up-to-date and relevant, and avoid the need to pay a recording studio to create the voice for these modules. Thank you in advance for your understanding. (May 2019)
Choose the CORE Camp Prerequisite Training

Be Sure to Complete all 7 Modules
Complete the Modules Listed

• All 7 Modules are required for the course to be completed.

• You may stop and start the modules at your leisure.

• Virtual Badge is earned when course is completed.

• Course must be completed by 2 weeks prior to camp date.
• This training has been compiled specifically for adult volunteers attending CORE Camp Programs during the Summer Camp season.

• This does not replace the *required* **Outdoor Essentials** training needed to take your troop camping.
