You are registered for Twilight Camp – Mythical Adventures at Memorial Park, Wadsworth. We can’t wait to have lots of fun this summer at our annual Twilight Camp and our Mythical theme is sure to please! Unicorns, Fairies and Mermaids what more could a girl ask?

**Camp Dates:** July 13 – 17 from 5:30pm-9pm

To make the drop off run smoothly, please fill out and bring on the 1st evening:

- [Personal Health & Medical Form](#)
- [Permission Form](#)
- [Activity Consent Hold Harmless & Release Agreement](#)

You will NOT be allowed to leave your scout at camp without filling out, and bringing with you, all 3 forms - so, get them done early. We highly recommend arriving 10-15 minutes before camp begins on Monday as check-in tends to be slower on the first evening of camp.

**Remember, your go-to resource for all things camp is the Camp Webpage:** [2020 Summer Camp Forms and Information](#)

**Packing List:**

- filled water bottle
- hat
- drawstring or zippered backpack
- raincoat or emergency rain poncho

**Dress Code:**

- No open-toed shoes or flip flops
- Socks and closed toed shoes need to be worn every day
- Apply bug spray prior to arriving at camp
- Camp Shirt – once it has been received

Please make sure your camper is dressed for the weather. Activities take place rain or shine and being soggy, cold or overly warm can affect her enjoyment of camp, so check that weather report

We have lots of fun activities planned for your scout this week and we want her to have as much fun as possible.

The camp does not provide the badges, you must contact your leader to discuss getting earned badges from your troop. If your Scout misses sessions or days you may have to make up activities missed, to earn your badge(s).

Thanks, and let me know if you have any questions or can volunteer! We are always in need of registered adults to walk from station to station with the scouts. Cost is $5 to help cover the cost of your camp t-shirt.

Jackie Auten, Camp Director
