

Hi! My name is [INSERT YOUR NAME] from Girl Scouts of North East Ohio, and I am a constituent of [Senator/Representative] [INSERT LEGISLATOR NAME]. I'm calling because I'd like his/her support to remove the 10-person group limitation for Ohio's Girl Scouts. As an organization we have a long history of meeting and exceeding safety requirements and are prepared to provide the information and support our volunteers and troops need to meet safely. Girl Scouts of North East Ohio has implemented safety steps, which meet the guidelines given to our schools. I believe they can be scaled to safely accommodate a troop larger than 10. The full plan can be found at gsneo.org/coronavirus Girl Scouts is a safe and inclusive environment for *all* girls that provides unique once in a lifetime opportunity to girls that do not exist elsewhere. We are ready and prepared to safely return to what we love most, Girl Scouts.
